## Remembering Prue

Prudence Augusta Morach French was born on March 29, 1939, in Seattle and was adopted by Julia and Walter Morach of Spokane. She spent her formative years in Ritzville, and later moved to Spokane, where she attended Lewis & Clark High School. She was active in band and was part of the Spokane Symphony playing bass. After high school, she decided to attend the University of Montana, where she studied Education and would later meet her future husband, Garry Merle French. She was from Washington state, he was from Montana, so they decided to settle in the middle - Idaho. The two were married in the 1950s at the Presbyterian Church. She and Garry had five children: Debbie (French) Strong, Jennifer French, Todd French, Candace (French) Jones, and Jonathan French. Prue and Garry ran the White Pine Drug Store for 30 years in Potlatch, Idaho.

Prue was an active member in Eastern Star and was Worthy Grand Matron several times. She was in the Latah County Women's Bowling League as well as the champion bowler several years in a row at The Bowlerama in Moscow. She was one of the last surviving members of the Potlatch Ladies Bridge Club, and played bridge with Janie Nirk, Elizabeth Brabb, and Janet Rohn, to name a few. In the 1970s, Prue was the Jr. Miss President and helped young high school girls like Judy Bidlake, Sharon Largent, Dianne Vowels, Kelly Rohn, and Kelly Keck Glaze and others to step into womanhood with poise and grace. She was also a Campfire Girl leader for many years, mentoring girls including Terri Colvin, Rochelle Pettibone, Sallie Vowels, Bonnie Bunney, Kellie Rounds, Cathy Cook, and Terri Cook. Prue was also a lifeguard at the Potlatch Public Pool. She taught swimming to young children and loved helping the water

babies.

Later in life, she decided to go back to college and finish her degree in education, which she had previously put on hold to raise a family. She graduated from the University of Idaho, with a degree in education. She got her first teaching job at Dietrich High School in Southern Idaho. One day, a dear friend and Potlatch resident (Mrs. Kinman) told mom what an inspiration she had been by going back to college at her age. She had inspired Mrs. Kinman to do the same and pursue higher education for herself and to reach and fulfill her dreams as well. Mom always said "It was never too late."

She loved being a grandmother and great-grandmother. She had five grandchildren—Adam Strong, Matt Strong (deceased), Justin Jones, Jacob Jones, and Katherine French. She had six great-grandchildren. One of her last enjoyments was watching FOX News and having her gin and tonic at precisely 4 p.m. If she didn't hear the ice dropping in the glass at 3:59 p.m. she would wheel her walker to find you and "accidentally" ram you in the back of your heel to remind you it was almost 4 p.m.! Her selective hearing was uncanny. She couldn't hear you if you told her it was time to take a shower, but she had "dog ears" when it was "tea time" or dinner time. That's what made Prue so charming. She had a dry sense of humor, coupled with an affectionate but quite loving nature. She is the last of her generation. She lived through World War II, saw men travel to the moon, the invention of microwaves, cell phones, laptop computers, and the emergence of AI. She was one of a kind and will be missed.

Mom died on May 20, 2026, and was laid to rest at the Ritzville Cemetery on May 28, 2026. Reach Todd French at 389 Oregon Lane, Boca Raton, FL 33487 or, Candace Jones at 86 W 142 Rupert, ID 83350. *Ad paid for by Todd French.*

**Family of Janie Nirk offers thanks**

The family of Janie Nirk thanks everyone who supported us after Janie passed. We were so appreciative of those who attended the burial service and later joined us to celebrate her life at the Princeton Nazarene Church. Many of you enjoyed the photographs and memorabilia we displayed, and we enjoyed your stories, cards, flowers, donations, kindness, love, and thoughts and prayers.

We would also like to say a special thank you to Janie's dear friends who arranged food for the luncheon and to those who brought food. Janie would have been so proud of it all.

We are so grateful for the support shown to all of us during this difficult time. Thank you from all of Janie's nieces and nephews and her large extended family.

## Cayuse Kids Saddle Club

Howdy from Cayuse Kids!

June was an eventful month. CK held its 69th annual O-MOK-SEE. Lots of fine horses and riders competed in various speed events. The club also hosted an evening barrel race. Our cookshack staff kept hunger and thirst at bay. Our announcers, arena helpers, and line judges aided the smooth flow of events and spectators availed themselves of new grandstand seating.

The Cayuse Kids honored two fallen members with their "LAST RIDE"; Duane Minden and Linda (Horn) Hamburg. These "Last Ride" moments were filled with memories, tears, and respect. These two individuals are dearly missed.

Idaho State O-MOK-SEE held a robust, competitive weekend at CK Grounds and added an evening of barrel racing. A big thank you to all who worked hard before and during these events and to the participants themselves.

**AUGUST EVENT:** The Latah County 4-H and Open Horse Show will be held at CK Grounds on Saturday, August 8, 2026. For details, see the CK Facebook page, or contact Sharon Moore at 1-208-669-0177.

## More Than Just Music: Your Guide to Return to Riverside!

Get ready for an unforgettable day at the **Return to Riverside Music Festival** on August 1st! By relocating to the Historic WI&M Railway Depot we've expanded the fun by hosting two stages, incredible history exhibits, shopping, great eats and more!. Here's some of what awaits you:

### Two Stages to Experience:

**The Main Stage (at the BENX car):** Set up your permanent base camp for the day! Bring your lawn chairs, outdoor carpet (if you have one) and tents into the main lot and claim your spot. We will have our usual shade tents set up for all to use.

**The Freight Room Stage (inside the Depot):** Looking for something intimate? Head into the shady Freight Room—which still smells authentically of trains and hoboes—or sit out on the back platform to enjoy acoustic music and history presentations while you enjoy some ice cream.

**All Aboard for Rail & Region History:** Marvel at the beautifully restored 1910 **Abraham Lincoln private executive railcar** (courtesy of the *Andrews family* of Othello, WA). Explore the **WI&M Railway Depot Railroad Museum** and **X-5 Caboose**, and then dive into local heritage with the **America 250 Dryland Agriculture** exhibit. Learn the story of the **Potlatch Lumber Company**, relive Riverside tales and take in more history of the Company Town called Potlatch.

**Drinks, Dancing, Shopping & Food:** Kick up your heels with **Line Dancing up front on our dance floor**, grab a drink amidst new exhibits inside the **Annex Bldg Bar**, step inside **BlackBird** and the **Company Store** for souvenirs, vintage finds and art, then head across the road to the grassy area for a wide variety of **local food offerings**.

Honoring our special attendees: **This year we are working with our neighbor at NW Biomass** to support parking for those who aren't able to walk the long distances. An attendant will make sure you make it in and out safely. We are also offering a drop off and pick up area for you to use, at the Depot street side. Just ask us how.

**Gates open at noon. Festivities officially begin at 2:30.** We suggest **you come early**. Be prepared to relax and enjoy the experience.

**Tickets can be bought on Eventbrite online, BlackBird at the Depot or at the gate. See you there on August 1!**

**F.M.B.E. 4-H News**

Happy 250th Anniversary, America!

This month, I would like to highlight the history of our 4-H club. F.M.B.E. is an unusual name, but it stands for the four separate towns north of Potlatch at the time the club was founded by the Mountain Home Grange Community: Freeze, Mountain Home, Burden, and Elmore. All these towns began around the community needs of the logging days in the early 1900s. F.M.B.E. is one of the oldest clubs in Idaho. Currently, we have about 60 active 4-H members, making us one of the largest clubs in Idaho as well.

Mark your calendars for the following events in July:

- ◆ The market Lamb weigh-in is on July 6 at the Latah County Fairgrounds.
- ◆ Our F.M.B.E. car wash fundraiser is on July 29 at the Coleman Oil gas station.

God Bless the USA!
