Palouse Prevention Coalition

As you may have read in the local newspaper, the Latah County Youth Advocacy Council has disbanded after 13 years. The first ten years, the Council was funded by a federal grant in the amount of \$124,000 per year. During this time, the board and Youth Ambassador groups were formed and for those ten years, lots of activities and #drugfreefun took place in Latah County.

When that grant was exhausted, LCYAC successfully applied for and was awarded a three year grant in the amount of \$94,000. During this time, you saw continued efforts towards education of our youth regarding the effects of drugs, alcohol and other substances. You may have attended and sponsored the LCYAC talent show, worked with a local Youth Ambassador or worked along side us in the community and at local events.

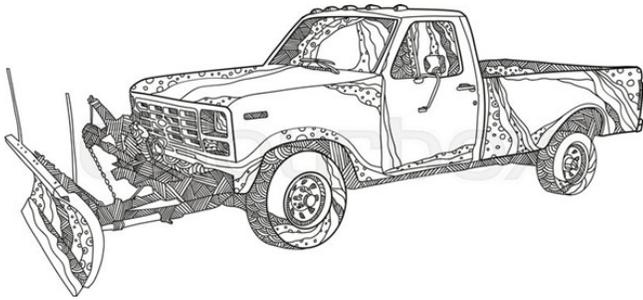

This year, LCYAC retires and the Palouse Prevention Coalition is born! This allows us new opportunities to apply for additional grants with new leadership and under a new name. It allows us the freedom to work with students and schools and seek new partnerships in funding. In fact, we were just awarded a \$5,000 grant from the Idaho State Liquor Division for a holiday sticker shock program. So, while we may have a new name, our mission and vision are still the same, to prevent youth substance use in Latah County. If you'd like to know more or be a part of this new endeavor, email Palouseprevention@gmail.com for more information.

Thank you!

She is an eager learner and always does her very best.

Mrs. Short's Kindergartens: Busy Bees: Our Busy Bee LLL for December is **Atlie Boller** for the impressive initiative she has taken in her learning. In the past month, she has really shown how much she cares about her learning, and she is putting so much effort into everything she does. Atlie is especially determined to make progress in her reading and she is taking every opportunity that she can to practice. It has been so much fun to watch her take off in her learning and I am very proud of her!

Eager Beavers: Mathew Seldon is our Eager Beaver LLL for December. Mathew sets an amazing example of kindness and patience every day. He is such a sweet boy and he reminds us daily about the most important things, being kind and happy, and giving hugs.

Mathew is gentle and calm, and he always makes sure to show others that he cares about them. Mathew sets a great example for us all!

Mrs. Wilson's Fourth Grade: Little Logger Leader is **Olivia Smith**. Olivia is a leader in our classroom in many ways. She sets a good example for her classmates by being responsible for herself, her belongings, and her school work. She completes her work in a timely manner, giving her best efforts the first time through. She takes responsibility for herself and her behavior, making sure she is on task and focused during work time in the classroom. In addition, she is a very caring friend, often going the extra mile to make sure others have what they need in order to be successful. You are a wonderful example of a servant leader, Olivia!

Mr. Christianson's Sixth Grade: For December LLL, I picked **Everett Lovell** to represent our classroom. What makes him stand out is his determination and work ethic. Everett works hard at everything he does. He goes out of his way to ask questions to make sure that he understands what is being taught and to understand his score; this includes fixing his score even if it means receiving a lower grade. He is not afraid to hold himself and his classmates accountable to the standards. This makes Everett a great role model and leader. Keep up the great work, Everett!

Mrs. Payne's Second Grade: Walker Lynas is our Little Logger Leader for the month of December! Walker has worked hard this year, and his perseverance is known to all in our classroom. Venture Crew and Boy Scout Winter Activities

Wow it's 2019 already! This past year went by really fast! But you know what they say, time flies when you're having fun! And fun is exactly what the scouts and venture crew have been having all last year!

We've stayed busy through the month of December by cutting and selling Christmas trees, participating in the annual Potlatch Christmas parade and by holding a flag retirement ceremony.

We look forward to another fun filled year of events and activities, made possible by the amazing people of the community we live in. This includes, and hopefully we haven't forgotten too many people. "Thank You" to:

Dan Akins at Harvest Foods for giving us space to hold our car wash as well as a Scouting for Food box later in the fall; Tom from Bennett Lumber for trees to cut into firewood, and Joe Murray for delivering the trees to us; All the folks who got their firewood from us this year, including particularly loyal customers, Ken & Pam Alsterlund and Chris Carney.

To Kevin Norwood (space and power for our Christmas tree lot); Charlie Gaskins and Dale Rose for allowing us to cut Christmas trees; and so many of our community friends who supported us by choosing to get trees from us.

To the Lions Club and Paul & Andrea O'Sullivan for cash donations to support our activities. To the Arts Council/ Fiddle Show, Wanda Milbert, the VFW, the Return to Riverside group, and the Palouse Roadrunners for giving us opportunities to help; David Brown and the Potlatch City Council for always supporting us, and to everyone in this community who make it a great place to live!

If you could spend less than one hour to save the lives of three people would you do it?

That's all it takes, less than one hour of your time. Did you know that:

- ◆ Every 2 seconds someone in America needs blood.
- ◆ Each blood donation can help save up to 3 lives.
- ◆ The Red Cross must collect 14,000 units of blood each and every day.
- ◆ Blood collected by the Red Cross helps patients in over 2,400 hospitals across the country.
- ◆ 80 percent of blood donations are collected at blood drives hosted by organizations like ours.

Whether you support our drive by donating blood, volunteering your time or just help spread the word about our drive through social media, you help save lives. Come to the Viola Community Center on **January 3, 2019** and see why we are excited to partner with the American Red Cross. We'll be working together to give back to the community in a truly life changing way since each donation we collect can save up to three lives.

Fit and Fall Proof™

Fit and Fall Proof is a program designed by the Idaho Department of Health to prevent falls among our mature citizens. We work on improving strength, balance, and endurance through walking, stretching, the use of bands, weights, balls, and more.

Another important aspect of Fit and Fall Proof is social interaction which means we have a lot of fun. The class is totally free and all ages are welcome to join us.

We meet every Tuesday and Friday at 9:00 a.m. at Palouse River Community Center until further notice!

If you have questions, call Carol at 208-669-1949 or Ruth at 208-875-0317.

EXTRA, EXTRA, Read all about it! The votes are in! FMBE 4H Club has new officers: Kassi Schultz-President; Kendra Heistuman, Vice-President; Klancey Beebe, Secretary; Levi Lusby, Treasurer; Jack Clark, Reporter, and Jaxon Vowels, Sgt. at Arms.

December has been busy! Our Club would like to give a big shout out and thank you to our community for all their support during our hot cocoa sale during the Lighted Christmas Parade. We earned \$243 and our club also donated an additional \$200 for the Sharing Tree which meant we were able to purchase a lot of gifts for local kids. The Booster Club Christmas Store was also a great success. There were lots of donations and around 120-130 kids came to shop. It was great for our club to be able to participate in this event.

We gave out our year end awards to Hannah Barnes, Top Senior; Sam Barnes, Top Intermediate; Jessica Biltonen, Top Junior. Top demos went to Seth Carnahan, Shasta Ockerberg, Chet Simons, and Elena Vowels.

We have three outgoing seniors this year: Hannah Barnes, Shasta Ockerberg, and Billie Anderson. Please make sure to say thank you for all they have done for our community and you. Our club presentations start in January.

Are you or someone you know interested in joining 4-H? If so, now is a great time!

That's all for now,
-Jack Clark

Book Grant for Senior Project Planned

Students at the Potlatch Jr.-Sr. High School have a need for books, just like kids at any other educational institution. Whether they are researching a topic for a school presentation, finding a book to give a report on in English class, or just looking for a good read, the youth in our community look for choices in our High School library.

The problem is the variety they must choose from at that library is currently very limited. The library at the high school is severely out of date, almost all nonfiction subjects and most of the shelves for all genres are under stocked. To combat this issue, I am writing a grant through the Snapdragon Book Foundation. I hope to replenish the shelves with new books to engage high school students who are bored with the current limited selection. A grant is a great solution to our depleted supply of relevant books. Community support in raising funds for new reading materials would be extremely beneficial in aiding the education of students at our school directly as well as increasing our likelihood of receiving this grant.

Please consider a donation that could potentially be a match for my grant. Donations can be sent to Potlatch School District #285, 130 6th Street, Potlatch, ID 83855. We promise that the money you donate will be used to purchase new library books for current and future students. Checks can be made out to Potlatch Jr.-Sr. High School Library Books. This is my Senior Project and I'm excited to make an impact at Potlatch High School in an area I am passionate about.

Thank you in advance for your help and support!
