REPORTS:

1. **Parks – Jennifer Anderson**– No report
2. **Pool & Cemetery – Darrell Bostic** – Pool has been painted by a volunteer group from the Church of Jesus Christ of Latter Day Saints, and looks very nice. Paul mentioned that Roach construction will be out in this next week and they will be checking the pipes under the pool.
3. **Water & Sewer – Dave Cada** – Reservoir is holding. The predicted precipitation looks as though we will have a normal winter. Chemtrails are clearing from the sky. Dave has noticed less than the year before and says the future looks good for normal weather patterns.
4. **Streets – Marty Anderson** – Marty and Mayor Brown met with the County Highway District met to look at the culvert on Onaway Rd. The culvert is not repairable. Marty thinks they should move up the road further and put in a 100ft culvert. Steve Normington gave a quote of \$2000.00 to do this work. The County Highway Dist. would cut the pavement. Mayor Brown still feels this is not a city problem as the water is coming from private property. Marty feels it is a city problem when it floods city residences. If a new culvert is installed it would be placed on city right-of-way.
5. **Scenic 6 – David Cada** – No report.
6. **Mayor – David Brown** – No report

7. **Maintenance – Paul Kilborn** – Paul asked Council what they could do about broken down cars on city streets and also campers and boats. Mayor Brown was advised that we can post a 3 day tow notices on cars that are not observing city code. If the cars are still there in 3 days call the sheriff, they will cite or tow the vehicles.
8. **Clerk – Harmony Nowack** – Harmony handed out copies of the yearly audit.

Public Comment:

Tyler Foster and Malachi Stofferanhn attended the meeting tonight. They would like to hold a block party in their neighborhood next month. It would be a family friendly event from around 3pm – 7pm. They wanted to know what they needed to do in order to have permission to block of the street. The City will check with their insurance company to see if there is any procedure they should follow to allow this event.

Marty Anderson made a motion to adjourn the regular meeting, Jennifer Anderson seconded the motion. The meeting was adjourned at 7:37p.m.

David L. Brown, Mayor

Harmony Nowack, City Clerk-Treasurer
