Pastor's Association Says Thanks

Potlatch Pastors Association would like to thank everyone that helped provide a Christmas Holiday Food Basket for 52 families, wrapped books, beautiful centerpieces, and toys for all 102 kids.

This takes many people and businesses to make this possible! When people in our community fall on hard times, we give them a hand up! Merry Christmas everyone!

If you helped in any way our wish for you is to be blessed as you blessed others less fortunate! Thank you!

OWSA Quarterly Meeting Notice

The quarterly meeting for Onaway Water and Sewer Association will be held January 13, 2021 at 6 p.m.

Due to Idaho's Stage 2 protocols, the meeting will be not open to the public. If you would like the meeting minutes sent to you, please email onawaywaterand-sewer@yahoo.com or call 208-596-6843.

PRCC GIVES THANKS

The Palouse River Community Center would like to thank everyone who helped to put up the Christmas lights on the building and at the park. It is definitely a team effort to decorate every year.

We appreciate everyone's contribution in making Princeton look very festive this holiday season. We truly could not do this without our volunteers. Many thanks !

Three ways to avoid COVID-19 vaccine scams

COVID-19 vaccines are on the way. While distribution plans are still in the works, it's not too early to talk about how to avoid the scams that are popping up around the vaccine. Here are three tips:

- You can't pay to put your name on a list to get the vaccine sooner.
- Beware of people trying to sell you treatments or medications to prevent the coronavirus.
- Hang up if you get a call about the vaccine that asks for your Social Security, bank account or credit card number.

For more information, read the FTC's blog, [COVID-19 vaccines are in the pipeline. Scammers won't be far behind.](#) For the latest vaccine updates, check with the [Centers for Disease Control & Prevention \(CDC\)](#). To learn more about how to manage your finances during the pandemic, visit consumerfinance.gov/coronavirus.

Gritman Medical Center's clinics in Moscow, Potlatch, Kendrick and Troy are now scheduling in-person and telemedicine visits.

Telemedicine allows you to visit with your provider conveniently through your mobile device, tablet or computer. It also helps us continue to provide exceptional care while you follow stay-at-home orders and social distancing guidelines to stay safe during the COVID-19 emergency.

Please call to schedule a telemedicine or in-person visit:

Moscow Family Medicine: 208-882-2011

Potlatch Family Care: 208-875-2380

If you have questions about COVID-19 symptoms or testing, you can call your primary care provider or the Gritman COVID-19 Hotline at 208-883-4109. You can also text "COVID19" to 208-295-5080.

gritman.org/coronavirus

Now offering telemedicine to keep you healthy and safe.

MEDICAL CENTER

Exceptional care that's **closer to home.**

Potlatch Veterinary Clinic

Thank You to Our Amazing Community!

We are so grateful to all those that dropped off toys for area children through the Toys 4 Tots program and yummy goodies for our grateful staff! We loved being a part of the Potlatch Parade and can't wait for next year.

January is National Train Your Dog Month! Send us a video of your pup's neat trick and we will enter you into a drawing for a free exam and a bag of your choice of dog treats to help you with your continued training endeavors! You can send your videos to our email, PotlatchVetClinic@gmail.com or to our Facebook page, [@PotlatchVetClinic](https://www.facebook.com/PotlatchVetClinic).

We will be closed for New Year's Day but will reopen January 2, 2021. To make an appointment, give us a call at 208-875-4838.

Merry Christmas and Happy New Year's!

Little Logger Leaders December 2020

Ms. Ridgeway's Fourth Grade: Our December Little Logger Leader is **Haley Livingston**. Haley is a great student, and an amazing friend. She works very hard in everything she does and is always helping those around her. She gets along well with everyone and is creative in the way she learns and explores new concepts. We have really enjoyed having Haley in our class and we appreciate the friendship she offers.

Mrs. Weaver's Fifth Grade: Maddyn Birge is our December Little Logger Leader. Maddyn has proven to be an exceptionally hard worker, showing perseverance even when faced with difficult tasks. In addition, she maintains a positive attitude and is like a ray of sunshine in our class. We appreciate you, Maddyn!

Mrs. Wilson's Fourth Grade: Our Little Logger Leader this month is **Hailey Delph**. Hailey is such a hard worker, always giving her best efforts in all she does. In addition, she is super helpful to me and to her fellow classmates and is always kind and friendly! Her 'can-do' attitude is infectious and her willingness to stay with a problem until she figures it out is an admirable quality. These are the attributes that make Hailey a leader in our classroom and will help her go far in life! Great job, Hailey!

Mr. Christianson's Sixth Grade: For December, our LLL is **Junior Capello**. What makes Junior a leader is his curiosity and his ability to ask insightful questions. He comes into the classroom prepared everyday and isn't afraid to be the first person to raise his hand and find a connection to the content being taught in our class discussions or volunteering to read the material. Junior goes out of his way to make sure that everyone in the class gets involved in the conversation and has a chance to speak. Never stop asking questions. Keep up the great work Junior!

Mr. Gossack's Sixth Grade: Raiden Weldy is our LLL for December. Raiden is a hard-working student who chooses to come to school every day with a positive attitude, despite the circumstances. Raiden is always going out of his way to make people smile by cracking jokes, doing something funny or just by smiling at you with a mischievous twinkle in his eye. While bringing this light-heartedness to our classroom, Raiden also leads his peers academically through his participation, work ethic, and overall desire to learn! Raiden, keep up the awesome work!

Mrs. Pfaff's Third Grade: Our December Little Logger Leader is **Sydney Minden**. Sydney comes to class with a positive attitude, a big heart, and energy. She tackles all of her work with a can-do approach and cares about doing her best. I appreciate how Sydney is a willing helper, whether it is cleaning the room, explaining an idea to a classmate, or solving problems. She is a confident member of our classroom team and I enjoy her stories and sense of humor.

Mrs. McKinney's First Grade: Our Little Logger Leader for December is **Mylah Allen**! Mylah is an absolute joy to have in my classroom. She is a very hard worker and always tries to do her best on all tasks. Mylah is kind to all of her classmates. She has a positive attitude and is always ready with an encouraging compliment. Mylah, I am so grateful you are my student. Keep up the good work and thank you for being you!

Ms. Montgomery's Second Grade: I'm proud to announce that our December Little Logger Leader is **Aria Stoor**. Aria is an eager learner and is both ambitious and confident in completing her lessons on time and even before they are due. She is a gentle and quiet student who always has a smile on her face. Aria demonstrates leadership skills by being a considerate and respectful citizen of our classroom family.

Mrs. Short's Kindergartens: Max Heilman is our **Eager Beaver** Little Logger Leader for December. Max has been a strong leader in our classroom by being consistently responsible, kind, and respectful. He comes to school every day ready to learn, work hard, and have fun. Max takes his time and cares about his learning. He is also a great friend to his classmates. Thanks for being such a positive member of our classroom, Max!

Keira May is our **Busy Bee** Little Logger Leader for December because of her hard work and positive attitude. Keira shows everyday how much she cares about her learning, and she has been putting so much effort into everything she does. She is especially determined to make progress in her reading and writing and by taking every opportunity to practice and improve. It has been so much fun to watch her take off in her learning!

Mrs. Gussenhoven's First Grade: Konnor Sines is our Little Logger Leader for the month of December. Konnor works very hard in class and I am proud of the progress he has made in his reading. He is very responsible and gives every task his best effort even when things are difficult. Konnor is a great role model for his classmates and is always ready to help whenever it is needed. Keep up the great work, Konnor. I am so proud of you!

Mrs. Carlson's Fifth Grade: Our Little Logger Leader for December is **Jaidalyn Andres**. Jaida is a self-motivated student who demonstrates high standards for her work. She is a responsible student who takes pride in all she does. Jaida comes in each day with a smile and a positive attitude. Well done, Jaida!

Mrs. Burkgart's Third Grade: December Little Logger Leader is **Myles Eacker**. Myles told me at the beginning of the year that his goal was to be a Little Logger Leader and he has done everything he can to reach that goal. I am so proud of the daily work that Myles puts into every aspect of school. He has a huge heart and a love for books that he has been sharing with the whole class. He wants to learn everything about everything and has such a love for school that his energy rubs off on those around him. I am so happy to have Myles as part of our classroom family.

Ms. Greer's Second Grade: Our Little Logger Leader for December is **Atlie Boller**! Atlie has been an outstanding leader in our classroom in many ways. When she sees a student who is feeling down, by themselves, or needing help with anything in or out of the classroom, she has jumped to the opportunity to be there for them. She has shown that leaders have compassionate hearts and that they make sure no one in the class gets left behind. I admire your willingness to help everyone, Atlie. Keep up the great work!

News From the Gamebird Foundation

Red-Legged Partridge

We raised and released 240 of these this year. They are doing great so far. We have not had to do any supplemental feed this winter as we want to see how they survive. We hope to have feed and if it comes down to it, we will start feeding them. We want to raise more red-legged partridges next year and we have 2000 eggs ordered now. If we can raise some more money, we would like to get another 1000 eggs. These are one of the easiest birds to raise, we hatched 256 and released 240. The most we lost were those that didn't hatch well and were very weak. We will feed all pheasant populations if needed and if we have the feed.

If you would like to raise some of these and could help out with some of the costs we would sure appreciate it. If you can't raise them, please donate a few \$ to help us along. You can go to The Gamebird Foundation Web and make a donation or you can join and pay membership dues with a credit card. Dues are \$25.00 for a family. The website is www.thegamebirdfoundation.org. We are a 501c3 non-profit and all donations are tax deductible.

ANXIETY

Panic attacks are discrete episodes, with an abrupt beginning and specific end.

SYMPTOMS

- Rapid heart rate
- Feelings of impending doom
- Feelings of being out of control
- Abdominal cramping

COVID-19

If you develop these symptoms, call your doctor or visit [cdc.gov/coronavirus](https://www.cdc.gov/coronavirus).

SYMPTOMS

- Fever
- Dry cough
- Trouble breathing
- Extreme fatigue

OVERLAPPING SYMPTOMS

- Chills
- Shaking
- Sweating
- Chest pain
- Hot flashes
- Shortness of breath

Pandemics can be stressful! Social distancing can make people feel isolated and lonely, increasing stress and anxiety. Coping with stress in a healthy way will make you, the people you care about, and your community stronger.

The Centers for Disease Control and Prevention website provides information on the mental health effects of Covid-19. <https://www.cdc.gov/coronavirus/2019-ncov/daily-life-coping/managing-stress-anxiety.html>

POTLATCH SHOPPING MALL HAS SPACE

The Potlatch Shopping Mall has two units available for your business needs! If interested, please contact Emily Ernst with questions at 360-685-3552.

Suite 1. The former Mason Lodge has ample square footage for your business operations with over 3,000 sq. ft. The unit has a foyer, large hall, separate bathroom facilities, a kitchen and dining room. It might be a great space to host events!

Suite 7. Just Diane's old shop, is a small yet flexible space. It is near the post office foot traffic and provides for needed business space without the high rent.

Potlatch Food Pantry

Potlatch Food Pantry is open February 11 and 25 from 10:00 a.m. to noon and 6:00-8:00 p.m. The Idaho Food Bank truck comes February 25 to Grace Community Church.

We want to thank all in these communities that have given us money and food donations. What a blessing!

We can be reached at P.O. Box 453, Potlatch, ID 83855. Call 208-875-8953 or city hall in a food emergency.

www.ioem.idaho.gov/covidhelpnow

As Idahoans feel the many impacts of COVID-19, the need increases for behavioral health support and services. The COVID Help Now Line offers statewide support for anyone challenged by the stress associated with this global pandemic.

The COVID Help Now Line is:

- Staffed from 8am to 8pm Mountain Time, 7 days a week.
- Available via phone, text, or chat. Callers may also leave a message during off hours and receive a return call the following day.
- Anonymous. Responders do not classify, label, or diagnose people, and no records or case files are kept.
- Accessible to hearing impaired via TTY and TRS services.

COVID Help Now Can:

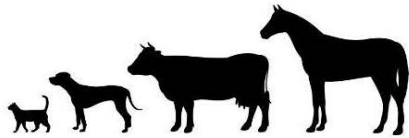

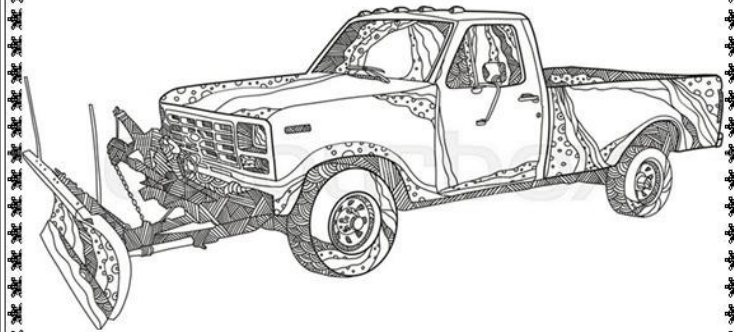

- Help you understand your current situation.
- Help reduce your stress and provide emotional support.
- Help you with your immediate crisis needs and connect you with community resources.
- Help you identify coping strategies.
- Provide language assistance and interpreter services.

VETERINARY CLINIC

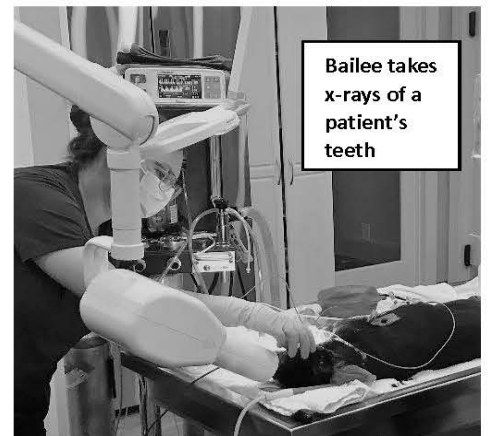

February is National Pet Dental Health Month!

Did you know that your pet's buildup of yellow tartar on their teeth, bad breath, and red and swollen gums are actually signs of early dental disease? When there is a buildup of tartar on the teeth and below the gumline it can lead to chronic pain, inflammation and infection. Dental disease does not just affect your pet's mouth,

however. When bacteria are able to absorb into the bloodstream, internal organs (such as the heart, liver and/or kidney) are affected and can lead to serious health risks.

Here at Potlatch Veterinary Clinic, we are making it easier for you to give your pet a healthy mouth and body by offering 20% off all Dental Cleaning procedures for the month of February. Your pet will receive a full examination before the procedure. Under anesthesia, all of the teeth will be scaled and polished with a technician monitoring at all times. In addition, we include with every dental cleaning a full series of radiographs of your pet's mouth for a complete evaluation of the teeth, including the root.

To schedule a visit with one of our doctors to examine the health of your pet's teeth, give us a call at 208-875-4838.

Bailee takes x-rays of a patient's teeth

Gritman Medical Center's clinics in Moscow, Potlatch, Kendrick and Troy are now scheduling in-person and telemedicine visits.

Telemedicine allows you to visit with your provider conveniently through your mobile device, tablet or computer. It also helps us continue to provide exceptional care while you follow stay-at-home orders and social distancing guidelines to stay safe during the COVID-19 emergency.

Please call to schedule a telemedicine or in-person visit:

Moscow Family Medicine: 208-882-2011

Potlatch Family Care: 208-875-2380

If you have questions about COVID-19 symptoms or testing, you can call your primary care provider or the Gritman COVID-19 Hotline at 208-883-4109. You can also text "COVID19" to 208-295-5080.

gritman.org/coronavirus

Now offering telemedicine to keep you healthy and safe.

 **Gritman**
MEDICAL CENTER

Exceptional care that's **closer to home.**

The Potlatch Lions Club is looking for help from the community in planning, organizing, and executing a fun and exciting Potlatch Days 2021.

Let's make the 2021 event a great celebration for our community!

We want your ideas, suggestions, and comments. Please come to our February 17 meeting at 7:00 p.m. at the former VFW Hall, 735 Pine Street.

Your ideas, suggestions, and comments don't have to be limited to Potlatch Days. We want to hear about other projects you would like to see from the Potlatch Lions Club.

See our Lion's Den article in this newsletter for more information.

Potlatch Lions Need Your Help!

Little Logger Leaders January 2021

Mrs. Weaver's Fifth Grade: Our Little Logger Leader for January is **Michael Clark**. Michael is a quiet leader in class by demonstrating kindness and helpfulness to those around him. He is also studious and thoughtful in his work. We are so appreciative of the positive role he plays in our 5th grade class!

Mrs. Pfaff's Third Grade: Kevin Carlson is a hard-working student who I can trust to always complete all of his at home assignments. He comes to class with a positive attitude toward learning and is respectful to everyone at school. Kevin has a great sense of humor and a vivid imagination that his class enjoys when he shares with them. I appreciate how Kevin knows what he wants and is willing to chart a course to get it.

Mrs. Wilson's Fourth Grade: Our Little Logger Leader is **Kaney Hansen**. Kaney is a 'take-charge' kind of girl. When she sees something that needs to be done, she does it! I can always count on her to get going on an activity or assignment right away, help others when needed, and be ready for the next thing coming up with enthusiasm and optimism! She likes to be in charge and does a great job when she is. I can see her aspiring to be a teacher someday and I look forward to watching that happen! Keep up the great work, Kaney!

Mrs. Gussenhoven's First Grade: Kimber Bates is the Little Logger Leader for the month of January. She participates well in class discussions and is very responsible with completing tasks on time. Kimber does not hesitate to ask questions for clarification if she is confused. This year she has worked very hard on reading and has come a long way. I am so proud of you and keep up the good work!

Ms. Montgomery's Second Grade: Brooklyn Keck is our January Little Logger Leader. Brooklyn comes to school daily with something interesting to share and/or makes suggestions of what she thinks we should do that day. Brooklyn has a kind heart and is a considerate friend to others. She works hard on her school work and has put forth more effort this past quarter. I'm very proud of you, Brooklyn.

Ms. Ridgeway's Fourth Grade: Our January Little Logger Leader is **Wheeler Holbrook**. He has shown tremendous responsibility in his learning this year. He puts effort into everything he does and loves to face a challenge. He works hard in school and consistently proves that he has a strong work ethic. In addition to being an excellent student, Wheeler is also a great friend and classmate. He is always making sure everyone is included and shows kindness to everyone. We are very proud of Wheeler and are very happy to have him in our fourth-grade class.

Mrs. Carlson's Fifth Grade: Our Little Logger Leader for January is **Gage Minden**. Gage is eager to learn. He participates in class discussions by asking good questions and being ready to answer questions, and he is always ready to read out loud. He shows up each day with a positive attitude and a smile. Thanks, Gage!

Mr. Christianson's Sixth Grade: Our January LLL is **Olivia Smith**. With the new structure of our school year, Olivia has acclimated to the new protocols and is making her 6th grade experience one to remember. What makes her our Little Logger Leader is her positive attitude and her work ethic. You can always count on her to spread kindness and brighten up your day. She is a very diligent worker and it shows. She keeps track of all of her assignments, utilizes her time in-class, and always puts forth her best effort. Keep up the great work, Olivia!

Mrs. McKinney's First Grade: Our Little Logger Leader for this month is **Ryker Reynolds!** Ryker is a hard worker and an absolute joy to have in my classroom. He has a great imagination and I very much enjoy his comments on topics we discuss in class. Ryker has been working very hard this year and I am proud of all he has accomplished. Thank you for being you, Ryker!

Mr. Gossack's Sixth Grade: Reese Lusby is our LLL for January. This year Reese has taken responsibility for her own learning! She has taken initiative to set goals, ask me questions, meet with me, and follow through on the goals that she has set. This level of initiative and responsibility towards academics, by a sixth grader, is unparalleled. Reese, I am proud of you! Keep it up!

Mrs. Burkgart's Third Grade: For January LLL I picked **Fritz Boni**. Fritz is an extremely hard worker who has made huge gains this year. I have seen him grow in every aspect of school. He pushes himself as well as his classmates. He always has a joke to share and makes sure the classroom is always laughing and smiling. Fritz doesn't give up when something isn't easy, he perseveres through it, and gives everything the best work that he can. Having him part of our classroom family has been amazing this year.

Ms. Greer's Second Grade: Our January Little Logger Leader is **Michaela McCarver!** Michaela has shown exceptional leadership in our classroom in more ways than one. She has shown that you can persevere in any situation into a positive one by having the right mindset. If other students are not excited about something, she always tries to show them the positive aspects. Also, if something is giving her a hard time, instead of giving up, she reaches out to her peers for help. I am very proud of you Michaela!

Mrs. Short's Kindergartens: Presley Boller is our **Eager Beaver** Little Logger Leader for January. Presley acts as a leader in the classroom in many ways, especially in her positive attitude, willingness to try hard things, and her interest in learning. She works hard at every task, takes her time, asks questions, and makes sure to do her best. Presley always knows what she is supposed to be doing and is happy to help her classmates at any opportunity. Thanks for being such a positive member of our classroom, Presley!

Jackson Scholfield is our January Little Logger Leader for the **Busy Bee** class. Jack sets such a great example for his classmates in his respectful and kind attitude, hard work, and attention to detail. Jack often has thoughtful ideas to share and is very interested in learning. His kind nature, unique ideas, and creative work brighten up our classroom. Thanks for sharing, Jack!

Gamebird Foundation February 2021 News:

2020 was a busy year for the Gamebird Foundation, since I took over the supplies for the birds, feed, picking up birds, and distributing all of the above. I foresee 2021 to be just as busy, if not more so, since our goal is to raise more birds. I love doing all of this since I had a poultry business in Kodiak, AK, before I moved to Idaho and have raised birds for the last 16 years. I love sharing what I have learned in raising domesticated and wild birds. I also love hearing the success stories of raising pheasants and Red-Legs from the other Foundation members and have shared what works with others.

You, too, can raise pheasants for release in our Region by becoming a Member or renewing your Membership with the Gamebird Foundation. It is just \$25 for a 1-year membership for a family. Go online to our website and join/renew now: www.thegamebirdfoundation.org/.

Pheasants will be available to be raised from May 1st to June 30th. These dates may vary depending on how the hatching goes. I will keep everyone informed. There will be approximately 800-1200 birds available for distribution each week. You will need to contact me ASAP to let me know which week you want to receive Pheasant chicks and how many you would like to raise at one time. Please send me an email with all of your contact information, the number of chicks to raise, and your 1st, 2nd and 3rd choice weeks to receive them. I will accommodate your requested dates and amounts the best I can. Red-Legged Partridge dates will be determined once the eggs go in the incubator. It will most likely be after the last hatch date for the pheasants.

Please contact me with your questions about raising Pheasants, to pick up brooders, soft release/flight pens, and any other supplies needed to raise the pheasants. If I don't answer the phone, please leave a message or send me an email and I will get back to you as soon as I can. I look forward to another productive year of raising Pheasants and Red-Legged Partridges with the Game Bird Foundation.

Thank you,

Chris Ford
The Gamebird Foundation Bird and Supplies Coordinator
bellsflatspoultry@yahoo.com | 208-997-8361

OUR SCHOOLS: JANUARY/FEBRUARY 2021

We are off and running into the new year and working hard to get our students back to school into a more traditional model of four or five days a week and in school altogether with their peers. Our re-entry plan was developed by our Board of Trustees, our Administration, and our teaching staff, and is based on current trends in our region, both county and local, on COVID-related cases and a level system for operating conditions for our schools to be in for us to return to school on a more full-time basis. For the most part, these conditions and guidelines were developed by the North Central Health District & the CDC. As a school district, we “tweaked” them to fit our needs. For a more in-depth look at our re-entry plan, please go to our website for complete details. Our website is at www.psd285.org

With the return to a more traditional model of delivery, the district will be losing one of the strengths that came from our “Hybrid” model of delivery, that being the ability to social distance properly. In losing this opportunity, the school district will be requiring students and staff to wear masks and/or face shields inside of our buildings. This will not be an option or a recommendation, this will be a **requirement**. Also, with the introduction and rollout of the COVID-19 vaccine within our state and nation, our staff have the opportunity to receive further protection, if they so choose, by receiving vaccination shots. Currently, we have nearly 60% of our staff interested in being vaccinated. Once the vaccination process has been completed and local/county COVID-19 levels are meeting re-entry plan requirements, school will move from the “Hybrid, A-B” delivery model to an “All-day, Every day” model. We are cautious and making sure that we do everything possible to keep students and staff safe and healthy. At the same time, we are extremely excited to take this step forward to provide the opportunity for students to receive a more complete education, to be able to socialize and play with their peers, and most importantly, be full-time students again.

If you are interested in seeing more information on the CDC/North Central Health District’s guidelines, resources, and current regional information, please go to the following link: <https://idahopublichealth.com/district-2/novel-coronavirus>

The Board of Trustees and Administration set our Supplemental Levy amount for the upcoming school year of 2021-2022. For the past three (3) years we have stayed steady at \$1,750,000, no increases over that time. I am pleased to say that this year we will be able to **lower** the levy amount, from \$1,750,000 to \$1,650,000. This is a significant decrease and will allow some tax relief to our taxpayers at a time where every little bit of financial savings can help. **The Levy vote will take place on Tuesday, March 9th**. I will provide more information and details on our Supplemental Levy in next month’s CIA, as well as on our District’s website so stay tuned.

As always, thank you for your support!

Jeff Cirka, Superintendent
Potlatch School District #285

Potlatch Lion’s Den

The Potlatch Lions Club needs your help!

You may have noticed our half-page ad in this newsletter stating that we are in the process of beginning to plan for the 2021 Potlatch Community Days Celebration July 16-18. This is where we need your help... **we want to make this Potlatch Days bigger and better!**

COVID-19 put a damper on our plans for 2020 and forced us to cancel Potlatch Days last year. We want to make up for that this year.

We want your input! We want your ideas! We want your help making things happen! We cannot do this without the help and support of our community!

We are inviting people in the Potlatch area to join us at our Club meeting on **Wednesday, February 17, 2021, at 7:00 p.m. at 735 Pine St (the former VFW Hall)**. Refreshments will be served.

You don’t have to limit your ideas and suggestions to Potlatch Days either. **We would like to hear about other projects in the community that you would like to see the Potlatch Lions Club support.**

Please know that coming to this meeting does not commit you to joining the Lions Club. While we are always on the lookout for people to join us, this meeting is a chance for us to hear back from the community about what you’d like to see and places that you’d like to help us make Potlatch Days even better.

We hope to see you on February 17th!

Potlatch Senior Citizens Center Meal Site

Meals are served at 12:00 noon every Monday, Wednesday (except the first Wednesday of the month), and Friday at the Senior Citizens Center (formerly the Rebekah Hall), 645 Pine Street, Potlatch, for senior citizens as well as non-seniors. The suggested donation is \$4.00 for seniors with adjusted pricing for non-seniors. Menus listed below or call 208-875-1071 on meal days to find out what is being served.

Meals are available for take out with pickup and delivery only, no inside dining. Call by 10:00 a.m. on meal day to request your meal.

DELIVERY AND PICKUP AVAILABLE

F.M.B.E.

F.M.B.E 4-H Club is proud to serve its community! Fall highway cleanup was a big success. In November, 28 participants gathered 24 bags of trash at the entrances to Potlatch. In December, we filled numerous wishes for the Sharing Tree and were greeted by Sharing Tree founder, Janie Nirk, as we shopped.

Congratulations to the following new officers of F.M.B.E. 4-H Club: President: Levi Lusby; Vice Pres: Kassi Schultz; Secretary: Sam Barnes; Treasurer: Jaxon Vowels; Reporter: Elena Vowels; Sgt. at Arms: Sophie Lusby.

Congratulations to all club award recipients, including Members of the Year: Makayla Smith, Jessica Biltonen, and Sydney Minden. Thank you for your commitment to 4-H!

We welcome new members and now is the time to sign up! <https://v2.4honline.com/#/user/sign-in>

Elena Vowels, Reporter

HAPPY PRESIDENT'S DAY

Hello Good Friends of Wildlife: RAFFLE

The Gamebird Foundation is holding a raffle for a heritage porker that will be cut and wrapped to the winner's specifications. The pig will weigh approximately 120 lbs. cut and wrapped. The porker and cutting and wrapping have been donated to The Gamebird Foundation. All the proceeds from this raffle will go for the purchase of chick feed for the baby Pheasants and Red-Legged Partridges that we will be raising this spring for release into wild habitat at about 10-12 weeks of age. These heritage pigs are the best pork you can buy, pasture raised and all natural.

You can order tickets one of two ways: Go to our website at: www.thegamebirdfoundation.org/ and click on the Donate or Join as a Member Tab at the top of the page. Enter your information as a Donation and say "For Pig Raffle" in the Comments. We will send your ticket stubs to you based on your amount of donation and place your ticket in the basket. There are a limited amount of tickets available.

Or, you may contact any of The Gamebird Foundation Board Members or Executive Team or send us an email at thegamebirdfoundation@gmail.com.

Jim Hagedorn: 208-883-3423, jhagedorn611@gmail.com.

Tammi Johnson 208-699-7707, tammirj.tj@gmail.com

Chris Ford: 208-997-8361, bellsflatspoultry@yahoo.com

Greg Banks: gregm.banks@gmail.com

George Lauchland: 4geothejet@gmail.com

Others Board Members Include: Dale Rose, Dale Gottschalk, Jeremy Bunch, Joel Warner, Jerry Lee and Bob Carson.

We look forward to seeing your name on our list!

Simplify Your Life 2021

Are you stressed out? Too much "noise" and not enough time to enjoy life? Can't find your important stuff? And don't know where to start?
Calgon Take Me Away!!!

We have a solution to help you!

University of Idaho Extension is offering a 3-hour Zoom workshop to help you get a grip, make a plan & *Simplify Your Life*. Together, these three sessions serve as a prelude to estate planning. They help you simplify your possessions and financial paperwork as well as guide you to initiating important family conversations about final wishes...and we make this process fun.

Declutter Your Life & Reduce Your Stress

Are you looking for a way to simplify your life? With busy schedules, emotional attachments, and too much "stuff," we can start feeling out of control and stressed. This fun-filled, laugh-out-loud class focuses on our stuff and how to simply the "noise" it makes.

Organizing Your Financial Paperwork

What if we told you that getting your financial paperwork ducks in a row was easy and that it would reduce a ton of stress just by having your important documents where you could find them? In this portion of the workshop, we focus on how long to keep, where to keep, what to keep and what happens if you can't find it.

Who Gets Grandma's Yellow Pie Plate?

Have you thought about your personal possessions and who would get them after you are gone or after a major life change occurs? Sometimes life events happen that force us to address end-of-life issues we would rather not. In this workshop, we open the lines of communication and talk about factors you should consider when passing on your things, goals you want to accomplish, distribution options and consequences, and conflict resolution. Although a tough subject, this class offers a "priceless" peace of mind for you, your family and friends in a very upbeat way.

Date:

March 10, 2021
6:00 - 9:00 pm

Place: Online Zoom Meetings

Cost: Absolutely FREE!!!

Registration:

Register in advance for this meeting:
<https://uidaho.zoom.us/j/90veQkh0ZnOCVHBLJGttKv>

After registering, you will receive a confirmation email containing information about joining the meeting.

For Other Questions:

Email Karen at krichel@uidaho.edu or call
208-883-2241

Materials will be provided prior to class.

Extension programs and employment are available to all without discrimination. Evidence of noncompliance may be reported through your local Extension office.
Anyone attending this program who requires auxiliary aids or services should contact Karen Richel at 200 S. Almon Street, Suite 201, Moscow, ID 83843, 208-883-2241, or krichel@uidaho.edu, at least two weeks prior to the event.

PRCC Thanks YOU

A GREAT BIG thank you to this community goes out from the Palouse River Community Center for making our first ever drive through take-out dinner such an overwhelmingly huge success.

Many thanks to the volunteers for their help with shopping, cooking, serving, washing dishes, cleaning up after dinner, and coordinating the drive through: Tim & Tia McKinney, Sue Barrett, Gennie Johnson, Wendell Hash, Sally (Austin) Anderson, Jeanne Poesy, Terry Smith, Joanne Hemmelman, Edie Simons, Peggy Gottschalk, and Jeff Hash. We appreciate all of your help and couldn't have done this fund raiser without you.

Thank you to our ticket vendors: Sheila at PS Espresso and Karen at the Blackbird at the Depot, many thanks to these ladies for helping us by selling tickets. Thank you to Harvest Foods in Potlatch, especially Matt, Lee, and Tim for helping us with our food orders. We appreciate all of you!

We could not do these types of events without the support from our community and volunteers in the community to make it happen. Thank you to everyone for your part in helping the PRCC with this fundraiser.

Many Thanks,
Bonnie Hash,

What is the Potlatch Recreation District?

The Potlatch Recreation District was created in 2001 through efforts of local community members and appointment by the governor. Idaho Recreation Districts are organized for the uses and purposes of acquiring, providing, maintaining, and operating public recreation areas and facilities for the use of the public. Potlatch Recreation District serves the Harvard, Princeton, and Potlatch areas. The district is administered by 3 publicly elected directors residing in 3 sub districts and is funded through tax dollars.

Many of our projects are quite visible in our communities. The park in Princeton was purchased, built and is maintained by the Rec. District. The Scenic Six Park lighting, swimming pool repairs, horseshoe pits, flags, and baseball/softball fields and their lawn care are provided by the Recreation District. Our projects last year included the new backstops at the upper field at the elementary school, a portion of funding for the PTO's new playground equipment on both sides of the elementary school, a supply shed for the Onaway Park, youth baseball funding, pickleball court, bleachers and the Potlatch pool. As we need to maintain our projects, this year we would like to save for improvements to the Scenic Six ball fields.

Grants for project funding can be applied for by anyone! We encourage recommendations for projects, which will be taken into consideration at monthly public meetings.

WARNING SIGNS OF SUICIDE:

The behaviors listed below may be some of the signs that someone is thinking about suicide.

TALKING ABOUT:

- ▷ Wanting to die
- ▷ Great guilt or shame
- ▷ Being a burden to others

FEELING:

- ▷ Empty, hopeless, trapped, or having no reason to live
- ▷ Extremely sad, more anxious, agitated, or full of rage
- ▷ Unbearable emotional or physical pain

CHANGING BEHAVIOR, SUCH AS:

- ▷ Making a plan or researching ways to die
- ▷ Withdrawing from friends, saying good bye, giving away important items, or making a will
- ▷ Taking dangerous risks such as driving extremely fast
- ▷ Displaying extreme mood swings
- ▷ Eating or sleeping more or less
- ▷ Using drugs or alcohol more often

If these warning signs apply to you or someone you know, get help as soon as possible, particularly if the behavior is new or has increased recently.

Gamebird Foundation March 2021 News:

Are you interested in learning more about Pheasants or helping us in our region? Become a member or renew your Membership with The Gamebird Foundation! It is just \$25 for a 1-year membership for a family. Go online to our website and join/renew now: <https://www.thegamebirdfoundation.org/>

Please contact Chris Ford, our Bird and Supplies Coordinator, about raising pheasants at bellsflatspoultry@yahoo.com or at 208-997-8361. Pheasants will be available to be raised from May 1st to June 30th. These dates may vary depending on how the hatching goes. There will be approximately 800-1200 birds available for distribution each week. Please send her an email as soon as possible with all of your contact information, the number of chicks to raise, and your 1st, 2nd, and 3rd choice weeks to receive them. Chris will accommodate your requested dates and amounts the best she can. Red-Legged Partridge dates will be determined once the eggs go in the incubator. Chris is also in charge of answering any pheasant raising questions and our equipment/supplies to raise them. Please call her to pick up brooders, soft release/flight pens, and any other supplies needed to raise the pheasants. If she doesn't answer the phone, please leave a message or send her an email and I will get back to you as soon as I can. I look forward to another productive year of raising Pheasants and Red Legged Partridges with the Game Bird Foundation.

Chris Ford

The Gamebird Foundation Bird and Supplies Coordinator
bellsflatspoultry@yahoo.com | 208-997-8361

The Gamebird Foundation is also holding a raffle for a heritage porker that will be cut and wrapped to the winner's specifications. The hog will weigh approximately 120 lbs. cut and wrapped. The porker and the cutting and wrapping have been donated to The Gamebird Foundation. All the proceeds from this raffle will go for the purchase of chick feed for the baby Pheasants and Red-Legged Partridges that will be released in the spring into wild habitat at about 10-12 weeks of age. These heritage pigs are the best pork you can buy, pasture raised and all natural.

The Gamebird Foundation

Little Logger Leaders February 2021

Mrs. Weaver's Fifth Grade: Wyley Heath is our Little Logger Leader for February. Wyley actively looks for ways to be helpful around the classroom. He is focused and diligently completes his schoolwork each week. He shares his positive, upbeat attitude with others, and we are so glad he is in our class!

Mr. Gossack's Sixth Grade: Brynn Schatz is our LLL for February because she is caring in many ways. First, Brynn cares about her academics. She demonstrates a genuine desire to learn and fully understand math. Brynn is excellent at asking questions as well as sharing with her classmates' strategies to find solutions. Second, Brynn cares for others. She is willing to go out of her way to show others kindness. Brynn, keep caring!

Mrs. Wilson's Fourth Grade: Our Little Logger Leader this month is **Cameron Larson**. Cameron is so much fun to have in 4th grade. I appreciate her bubbly personality, fun sense of humor, and her kind attitude toward everyone. She is a quiet leader in the classroom. She works hard to make sure she understands academic concepts and does her best work each and every day. She keeps herself organized and focused on what's important but is never too busy to help others. Thank you, Cameron!

Mrs. Carlson's Fifth Grade: Our Little Logger Leader for February is **Macy Spinelli**. Macy is a student who strives to be her best self in all areas. She is an active listener and builds upon her classmates' comments during group discussions. She leads the group by asking deep questions, creating deeper understanding for all. Keep up the great work, Macy!

Mr. Christianson's Sixth Grade: My February LLL is **Elijah Waters**. Being new to a school and having to adjust to new procedures and protocols can be a challenge for anyone; Elijah though has made his integration into our classroom family seamlessly. Elijah comes to class prepared and puts his best effort forward every day. Not only does he put forth his best effort, he does it with a smile on his face. Elijah shows his classmates that learning can be fun and enjoyable. I can count on him to lighten up our classroom. Keep up the great work, Elijah!

Mrs. Pfaff's Third Grade: Christopher Livingston is our Little Logger Leader this month. Christopher has worked hard this year to stay organized and keep up with the at home school work. He keeps a positive attitude and is an example to others on how to keep trying and not give up. I appreciate how Christopher is open minded and a willing helper and playmate to his classmates. His creativity and willingness to accept new ideas makes him a leader in our classroom, and his bouncy nature helps make our classroom a happy place. Keep up the great work, Christopher.

Ms. Montgomery's Second Grade: Easton Woolverton is our February Little Logger Leader. Easton is a very caring member of our classroom family. He always follows directions and does his best work in class. He demonstrates to others how to stay on task to complete work. Easton is a good friend to everyone and feels good when helping others. Keep up the good work, Easton.

Mrs. Short's Kindergartens: Alden Peters is our **Eager Beaver** Little Logger Leader for February. Alden has come to school with a great attitude every day! He has impressed me with his 'keep trying' attitude. Alden is not afraid to ask for help and he doesn't give up, even when something is difficult for him. Alden is patient and kind to others and is a good friend to his classmates. He is both a great listener and storyteller. I am excited to continue learning and growing with him for the remainder of the year!

Walker Foss is our **Busy Bee** Little Logger Leader for February. There hasn't been a single day of school yet this year that Walker has not made his teachers and classmates smile or laugh. He has a great sense of humor and an infectious love for learning. Walker comes to school every day with a great attitude and is a friend to every child in class. He sets a great example for others by paying attention, following directions, and working hard. I have really enjoyed having Walker in class!

Mrs. McKinney's First Grade: Our Little Logger Leader is **Tessa Richmond!** Tessa is an absolute joy! She is kind to all of her classmates and always has a positive encouragement to share. Tessa has a really good attitude and does her best on all tasks. Tessa, I am so proud of all you have accomplished this year! Thank you for being you, Tessa!

Mrs. Gussenhoven's First Grade: Neium Alexander is the Little Logger Leader for this month. I have enjoyed having Neium in my class this year. He always comes in the classroom with a smile on his face and a "I'm ready to work" attitude. Neium works hard to understand the subjects he is learning and never gives up. It is a treat to watch him grow as a student. I am so proud of you and keep up the good work!

Ms. Greer's Second Grade: Our Little Logger Leader for February is **Bailey Lynas!** Bailey has been an outstanding leader in our classroom! Though this year has been tough for many kids, she has always approached everything with a positive attitude. She has never complained about the circumstances; instead, she has found the joy and positives about what life has thrown at her. Bailey is also very kind, by helping kids who may be struggling with a positive word or some encouragement. You are doing amazing things, Bailey!

Ms. Ridgeway's Fourth Grade: Our February Little Logger Leader is **Haley Coleman**. She has shown tremendous growth in not only her academics, but her independence and confidence as well. She is a hard worker, and likes to have fun and make other people smile. Haley shows kindness to those around her, and is a great friend to her classmates. We love having her in our fourth grade class, and I can't wait to see what she achieves in the months to come.

Mrs. Burkgart's Third Grade: Our February Little Logger Leader is **Elias Illi**. Elias has the biggest heart and wants to help everyone with everything. He is always there to give his classmates encouraging words, or a picture to brighten their day. He has become a reading machine and any free time he has you can find him with a book in his hands. He has grown so much this year and I am so proud of the consistent hard work he is putting in. We are lucky he is part of our classroom family.

OUR SCHOOLS: February/March 2021

There is a lot to share this past month, as well as for the start of March. The biggest news is that we will be moving from our current model of school, which is/was a “Hybrid – A/B” model, where our students were attending school two (2) days a week and working from home the remaining three (3) with online supports from their teachers. This will all change on Monday, February 22. We will be returning to a more traditional model and our students will return to school full-time, five (5) days a week, and all-day, every day. This will be in place for the remainder of the school year unless a reoccurrence of the pandemic comes back or something of that nature would force us to change back to a hybrid model or virtual model of educational delivery. Here’s hoping and fingers crossed!

It’s Levy time again. We will be running our annual Supplemental Levy on Tuesday, March 9. For the past three (3) years we have been steady, running the levy for \$1,750,000 each of those years. This year, the levy has been lowered by \$100,000. It will now be run for \$1,650,000. This will provide a savings to our taxpayers, and in a time where we all have been hit hard due to the pandemic, every amount of relief and savings is needed and appreciated.

We will be sending flyers out to all taxpayers and homeowners in the next few weeks, sharing exact information on district needs, tax rates, and estimated changes and costs. We will also be providing a “town hall” meeting for all interested stakeholders. Supplemental levy information will be shared by the Board of Trustees at that time and discussion time will be given for the community to ask questions. This will be held on Tuesday, March 2, at 7:00 p.m., and will be held at the Jr.-Sr. High School Gymnasium. We will be spread out throughout the Gym in order to maintain social distancing whenever possible. Masks and/or face shields will be required to be worn inside our facility. If you would like to listen to the discussion, we will also be placing the meeting on Zoom, so those who cannot attend will still have the opportunity to listen in.

Two staff members have turned in their resignations and will be leaving us shortly. Lisa Bunney, almost ten (10) years as our Elementary Custodian, will be leaving us at the end of February for a new job opportunity. Lisa has been an outstanding worker and a valuable member of the Elementary staff. She will be tremendously missed. We wish her the very best in all her future endeavors. The retirement “bells” are starting to ring for Mr. John Haire, our Elementary School Principal. John has worked for our District for thirty (30) years! The first nineteen (19) of which were as an elementary teacher and the last eleven (11) years have been spent as the Elementary Principal. John will finish out the remainder of this school year and then bid us all “adieu” this coming June after a great and outstanding career as an educator and leader. He too will be sorely missed.

Jeff Cirka, Superintendent
Potlatch School District #285

F.M.B.E.

F.M.B.E 4H Club held its January meeting over Zoom. We watched a member give a fantastic demonstration from her kitchen on backpacking foods. It may be snowy outside, but livestock projects are getting started. 4H livestock kids need to be sure to get registered for livestock field days: Beef (March 20, 2021); Swine (March 27, 2021); Lamb (April 3, 2021); Goat (April 10, 2021). We are looking forward to the return of in-person meetings. We welcome new members.

Potlatch Alumni Scholarship

In 1985, a fund was established to annually offer a scholarship to a graduate of Potlatch High School. Each year up to 30 Potlatch High graduates apply for this scholarship. There are four (4) criteria for eligibility for the scholarship:

1. Be a graduate of Potlatch High School
2. Have demonstrated scholastic or vocational ability
3. Have financial need
4. Have demonstrated potential to succeed

Applications are available each year from Potlatch High School. Only those making applications for the scholarship on forms to be provided shall be eligible, including prior recipients. Applications are available on the Potlatch School District website under the College and Career Center. Completed applications shall be turned into the principal or counselor by May 15.

We encourage alumni to contribute to the fund. All contributions apply only to the principal. The interest gained from donations is awarded annually as a scholarship; therefore, all donations will continue to provide scholarship money forever. An annual report is compiled each year to show additions to the fund, income gained and available, the funds awards, and a progress report on the recipients.

This program is designed for graduates to help other graduates of Potlatch High School.

Donations can be sent to:

Potlatch High School Alumni Scholarship

**Princeton Community Ladies Club
Seeking Quilts**

The ladies of the Princeton Community Club are looking for quilts to quilt. We hand quilt those treasures you found in the attic or ones you have made for a fee according to size.

We are always open for new members who want to learn the art of quilting, too. We meet on Wednesdays from 9:30 a.m. till 2:00 p.m. at the Club House in Princeton; the address is 1075 Cone Circle Drive.

For more information call Sharon Thompson at 208 875 0799.

SUNRISE SERVICE

Community members, please join us at Elmore Church for Sunrise Service on Easter Morning, April 4, 2021, at 6:30 a.m.

Pastor Larry Veith with Grace Community Church and Pastor Lee Nicholson with Faith Church will be conducting.

No breakfast served and social distancing protocols are to be followed. Dress appropriately for an outdoor service and please bring your own lawn chairs.

**Wear a mask. Save lives.
Wash your hands.
Keep a safe distance.**

Budgeting, spending and savings plan, monthly/yearly financial plan, whatever you call it... whatever your method is (or isn't) that you do each month to make sure the bills get paid, this chat is for you. One of the great things about 2020 is that it opened up the door to some new ways we can communicate and bring resources to you without leaving your house. Every month, UI Extension will offer a **POP-UP CHAT** on the **first Thursday of every month**.

In these chats, we will talk about budgeting tools, tips and ideas to help you make the most of your dollars. You are welcome to come to one or all of the sessions. Each session will be different to cover all of the resources but will always have the same common theme... creating a livable spending and savings plan.

Bring your questions... we'll have answers.

Palouse Habitat for Humanity Announces Future Homeowners for homes in Uniontown, WA

Palouse Habitat for Humanity is happy to announce the homeowners for two Habitat homes in Uniontown, Washington: Breanne and Kelcey Leaseburg and Kyle Hansen.

Breanne and Kelcey are parents to three-year-old Alora. Breanne grew up in Pullman, and Kelcey is originally from Colville, WA. The family is very much looking forward to a home where they can all sit down to a meal together. "Our current home doesn't have enough space for even a small kitchen table so we are bunched up together on the couch. Breanne is a cook at the local hospital and being able to have the space to make home-cooked meals and eat with room for everyone is very important to her. We appreciate this blessing and will do everything as a family to take care of this home."

Kyle Hansen is a single father with sole custody of his six-year-old son Kyas. "I had to move a lot as a kid, and I wanted something different for Kyas, for him to have a room that would always be his room, to have a safe yard to play in, to have a school where he could make friends to grow up with and to have a place where, once he is grown, that he can always come back to if he ever needs to."

The Leaseburg home is already under construction and is expected to be complete later this summer. The build was delayed due to the pandemic. Construction was limited to one day a week with core group of volunteers. The annual fundraiser was delayed and eventually went online.

Habitat hopes to begin construction on the Hansen home this spring. The home is projected to cost over \$130,000 due to the rising cost of building materials. Palouse Habitat hopes to raise these funds during its annual fundraiser event, Beans 'n' Jeans, online next month. To learn how to donate, please go to palousehabitat.org/donate/.

Habitat homeowners are selected based on criteria that included need, ability to make an affordable mortgage payment, and willingness to partner in the home build. The Habitat Homeowner Selection committee carefully reviews financial history, conducts credit and background checks, home visits, and reference checks as part of the selection process. Selected homeowners must contribute 300-400 hours of "sweat equity", working alongside the volunteers building their homes, contribute a share of the closing costs, participate in a financial education program, and ultimately purchase the home from Palouse Habitat for an affordable mortgage.

Moscow ArtWalk

The City of Moscow and the Moscow Arts Commission are excited to announce the 16th Annual Moscow Artwalk, Thur., June 17, from 4 p.m. to 8 p.m.

In the interest of public safety, this year's Artwalk will be modified. Familiar features such as the Main Street closure and street fair are postponed until 2022; however, artists will still be featured at host locations throughout Moscow during this year's event.

Artwalk 2021 is an opportunity to celebrate the creative community of Moscow. The event aims to feature visual, literary, performing, and culinary arts. Businesses are encouraged to use this event to promote their regular creative offerings as well as any special arts presentations.

It is up to host locations to select, connect, and pair with the local artists they wish to host. Host locations are encouraged to seek visual, literary, performing, and culinary artists. For a list of local and regional artists, view the City of Moscow's Artist Directory at bit.ly/moscowartistdirectory. Host location registration will open in early April.

All host locations are responsible for following pandemic-related requirements for gathering sizes, sanitation, face coverings, and any other regulations set forth by the State of Idaho and the City of Moscow.

For more information regarding the June 17 Artwalk, including event details and how to register as a host location, visit: <https://www.ci.moscow.id.us/189/Artwalk>.

NEWS FROM THE GAMEBIRD FOUNDATION

Baby pheasant chicks are on their way! It is time to get the brooders ready and the soft release pens back in shape. Do not wait until the the day the chicks arrive or you will end up with some chicks that will not make it. If you need help getting set up to raise chicks you can contact Chris Ford at Harvard, ID, 208-997-8361.

Join us for The Gamebird Foundation Educational Field Day!

WHEN: April 17 from 11:00 a.m. to 2:00 p.m.

WHERE: At the Ford Ranch on the Deary Cut-Off Road As you are heading to Deary, just turn left at the Pine Creek Rock sign and go all the way to the end of the road.

WHAT: We will be showing how to raise baby pheasant chicks to be released, how to build a brooder and soft release pen, and may even have a few baby chicks to demonstrate. Food will also be provided!

NOW THE BIG ONE!!!!!! The Drawing for the Heritage Pig will be held at The Gamebird Foundation April 6th meeting at the Latah County Fairgrounds in the Exhibit building. The Public is invited and the meeting starts at 6:30 p.m.

You do not have to be present to win, but your luck might change if you are there. You folks keep your eyes open for the STUD MUFFIN; he still has a few raffle tickets to sell. You can call Dale Rose, 208-875-1385 or Jim Hagedorn 208-883-3423 and we will fix you up. You can also go to

www.thegamebirdfoundation.org web and order raffle tickets or join this great wildlife organization. Raffle tickets \$5.00 or 5 tickets for \$20.00.

There are only a few tickets left, when they are gone, they are gone. Membership is \$25.00 for the family for the year. All the funds we raise go to raising and releasing pheasants.

We will be starting another raffle very soon for another Heritage Pig, so if you don't win this time, you can try your luck again! Raffle tickets will again be \$5.00 each or 5 tickets for \$20.00. After April 6th, you can purchase them from the same people or go on our website!

We hope to see you at our next meeting on April 6th and at our Gamebird Foundation Educational Field Day on the 17th!

The Gamebird Foundation
PRESERVING A LEGACY - Committed to ensuring thriving game bird populations for generations to come.

HERITAGE PIG RAFFLE

**1 Whole Heritage Pig with
FREE Cut and Wrap - Your Choice**

Donation of:

\$5.00 per ticket OR 5 for \$20.00

Little Logger Leaders March 2021

Ms. Montgomery's Second Grade: Raiden Judson is our March Little Logger Leader. Raiden is a leader as he has the ability to believe in himself. Raiden demonstrates this by the confidence he shows in his words, actions, and on his lessons. With this confidence, he is also very generous in sharing his helpful qualities with others. Keep up the great work, Raiden.

Mrs. Weaver's Fifth Grade: Lyli Taylor is our Little Logger Leader for March. Lyli shares her upbeat, optimistic attitude with her classmates. She is attentive in class and always ready to learn and participate. We are thankful for the positive input Lyli gives. Keep up the great work, Lyli!

Mr. Christianson's Sixth Grade: Our March LLL is Evie Farnham: There are many defining characteristics that can make someone a leader. What makes Evie our Little Logger Leader is her determination, her work ethic, and work attitude. You can look to her to be setting classroom expectations; coming into the classroom prepared, being an active member of the classroom, and being courteous and respectful to her peers. You can tell by the quality of her work that she takes her time and puts forth her best effort into every assignment that I give her. Keep up the great work, Evie!

Ms. Greer's Second Grade: Our Little Logger Leader for the month of March is **Brooke Richmond!** Brooke has shown exceptional leadership in our class in many ways. She has transitioned back into full time with ease and grace, taking in all of our new routines with a smile on her face. She was one of the first kids to reach out to her "new" classmates, introducing herself, and asking if they wanted to play with her at recess. Brooke has shown amazing perseverance and kindness not only for this month, but for the entire year. I am so proud of you, Brooke!

Mrs. Pfaff's Third Grade: The Little Logger Leader for March is **Gabriella Scalso.** Gabriella joined our class in January and has shown herself to be a kind, helpful, and friendly classmate. Gabriella is always the first to jump out of her chair and offer help to a classmate. She does her class work then volunteers to help others who are confused. Gabriella quickly became part of our class and it seems like she has been with us all year! I appreciate her patience with others and willingness to try new things. We are so glad you joined us, Gabby!

Mr. Gossack's Sixth Grade: Rebekah Hawley is our LLL for March. Bekah is a joy to have in my classroom. This year I have seen Bekah challenge herself to become better and work harder at her academics. While she has worked to challenge herself, I have watched her challenge her peers to work harder and do their best. Bekah, keep up the awesome work and continue to positively influence those around you!

Mrs. Wilson's Fourth Grade: The March Little Logger Leader is **Austin Felton.** Austin is an amazing student leader in many ways. He takes his learning seriously, keeping tabs on his progress, and genuinely striving to do better whenever he can. He has a quiet confidence that inspires trust in his classmates. He is willing to help others with a kind and considerate attitude and is always happy when others succeed. In addition, he is a true friend to his classmates and extremely fun to be around! Keep up the great work, Austin!

Mrs. Carlson's Fifth Grade: Our Little Logger Leader for March is **Trey Magallon.** Trey is a hard working student who puts first things first. He organizes his time to make sure he gets all of his work done before moving on to other projects. When others need it, he is quick to step in and help. Trey leads by example in his friendships and his grit in the classroom. Way to go, Trey!

Ms. Ridgeway's Fourth Grade: Our March Little Logger leader is **Millie Montgomery.** Millie is so much fun to have in class. She is kind, hardworking, and compassionate. Millie can always be counted on to do the right thing and give her best effort. We have enjoyed learning from her this year and are grateful for what she brings to our class community. Keep up the great work, Millie!

Mrs. Short's Kindergartens: Avery McCarver is our **Busy Bee** Little Logger Leader for March. Avery shows kindness to every person she interacts with and she goes out of her way to help others at every opportunity. Avery is a hard worker who takes her time to do her best work on every activity. She is eager to learn, especially in reading and writing. Avery has a positive attitude every day, and is patient and polite with teachers and classmates. Thank you for being such a kind member of our class, Avery!

Our **Eager Beaver** Little Logger Leader for March is **Autumn Logue.** Autumn is such a bright spot in every person's day with her kind nature, sweet smile, and funny sense of humor. Autumn is a leader in our classroom by having a great attitude, working hard, and helping others. Autumn tries very hard to do the right thing and she works hard to do her best on everything she does. We all appreciate you, Autumn!

Mrs. Gussenhoven's First Grade: Zoey Ainsworth is the Little Logger Leader for the month of March. She works hard to complete her assignments on time and participates in class discussions very well. Zoey is kind to all her classmates and is willing to help when someone is in need. I look forward to seeing her bright smile every day. I am so proud of you and keep up the hard work!

Mrs. Burkgart and Ms Roper's Third Grade: For March Little Logger Leader, we picked **Kenzi Heitstuman.** Kenzi has a heart of gold and gives her best no matter the situation. She has been working so hard this year and it shows! She is always a huge helper in class and with her classmates. She goes out of her way to make sure everyone is having a good day; she is always there with an encouraging word and a smile. She is an amazing part of our class family!

Mrs. McKinney's First Grade: Eli Calderon is our Little Logger Leader! Eli joined us a few weeks ago and he has been a wonderful addition to our class. Eli is a hard worker and does well on everything he sets his mind to. He is kind and caring to all of his classmates and he is a very good helper. I am so very glad that he is in our class and it has been a joy getting to know him! Thank you for being you, Eli!

OUR SCHOOLS: March/April 2021

It has been a long time coming, almost a full year, but **all our students are once again attending school all together and every day.** For the last month and a half we have been able to get back to some semblance of “normalcy”. We are still very much aware that this could change in a heartbeat with a spike or an outbreak in our schools and/or community, but we are cautiously optimistic that we will be able to keep our students and staff safe and healthy for the remainder of the school year and end the school year on a high note. **Thank you to our students, parents, and patrons, for being as patient as possible as we navigated through this difficult time together.**

Earlier this month, we ran **our annual Supplemental Levy and it passed** with our taxpayers and community support. Although this has been a tremendously difficult year due to the COVID pandemic, I’m pleased that the majority of our voters recognized the importance of our District’s Supplemental Levy and the importance it has on the day-to-day operations of keeping our students and schools strong and successful. **I cannot express my appreciation to the voters enough for the positive support for our District. Thank you!**

And lastly, I constantly update and report to you in the C.I.A., employees of the District that resign or plan to resign and move on to the next chapters of their lives. This month, it is my turn to write about myself. **At the end of this school year, and after forty (40) years in the Education field, I plan to retire. I have been superintendent for our district for ten years and I have thoroughly enjoyed the opportunity the Potlatch School District has given me.** We have come a long way in those ten years and made great strides in many areas; academics, facilities, educational leadership, and much, much more. In the weeks ahead, our Board of Trustees will work with the Idaho School Board Association to begin a Superintendent’s Search, in order to find and select the best candidate that will “take over the helm” for the District this upcoming school year. Parents and community stakeholders will have the opportunity to be part of the hiring process and provide feedback to our Board of Trustees in order for them to make their decision on the best candidate. **Information and updates on the Superintendent Search will be added to our webpage at www.psd285.org, as well as on our Facebook page, in order to keep you informed with the process.** If you would like further information or express your thoughts to one of our Board of Trustees, you can contact them via email. Their zones, names, and emails are:

Zone 1	Keri LeForce	zone1@psd285.org
Zone 2	Emily Hunt (Chair)	zone2@psd285.org
Zone 3	Mike Gilmore	zone3@psd285.org
Zone 4	Ryan Beckner	zone4@psd285.org
Zone 5	Ty Winther	zone4@psd285.org

**Thank You From the
Princeton Community Club**

As the saying goes, "many hands make light work". Myriad varied talents came together to complete the picture of a rich community. Rich in experience, rich in abilities, rich in the desire to contribute to the combined fellowship which unites us.

A heartfelt Thank You to everyone in the community who came together to make this year's Spring Dinner and Quilt Raffle an outstanding success.

Thank you volunteers, for your help with ticket sales, shopping, cooking, serving, washing dishes, and clean up.

The proceeds from this fund raiser will go towards repairing our roof on the club house. Congratulations to Denny Chandler, winner of the Raffle Quilt.

With gratitude to all,

Spring is arriving on the Palouse! With the warmer weather comes a large rise in creepy, crawly parasite populations that can infect both you and your pet. Be it ticks, fleas, GI worms or heartworm, we have in-house screening options to check on the current health of your pet or livestock herd as well as an assortment of options to treat and protect them for the upcoming summer season. **For the entire month of May**, fecal analyses, heartworm tests, and all dewormers and parasite prevention/control products are **20% off!**

Lambing, kidding or calving this spring? If you are interested in a herd health check, give us a call! Our farm calls start at only \$35.

And finally, a **“Happy SPRING!”** to all of our neighbors. We hope you are enjoying this beautiful place we call “Home” as much as we are!

Preserve @ Home

Do you want to learn how to safely can, dry or freeze your garden's bounty? University of Idaho Extension invites you to enroll in Preserve@Home, an in-depth, online food preservation class to teach individuals how to safely preserve a variety of foods. Participants learn how to produce high-quality, preserved foods and the science behind food preservation and food safety.

The registration deadline is Monday, **June 7, 2021**. The first lesson of the 6-week course opens online on **Thursday, June 10 at 1 pm MT**. Each lesson includes online text (that can be downloaded and printed), online bulletin board to facilitate participant discussion, and a real-time weekly chat to interact with classmates and instructors. The weekly online chat session for the first lesson will be on **Thursday, June 17** from 1:00 to 1:45 p.m. MT. Topics to be covered include: Food borne illness – causes and prevention, Spoilage and Canning Basics, Canning High Acid foods, Canning Specialty High Acid Foods – pickles, salsa, jams, jellies, etc., Canning Low Acid Foods, and Freezing and Drying. Supplemental materials will include materials on planting varieties for food preservation, cold storage and root cellaring.

The cost is \$35 plus the cost of supplemental materials. Many of the supplemental materials are available free, online. For more information, contact Laura Sant at 208-852-1097 or lsant@uidaho.edu.

NEWS FROM THE GAMEBIRD FOUNDATION

Hey everyone! Keep your eyes peeled around the east side of Onaway. We are receiving news that the small flock of Red-Legged Partridges that The Gamebird Foundation (TGBF) released close to Potlatch, Idaho, have seemed to have settled in the area in some really great habitat. It looks like the males are starting to do their courting. We started crowing for pheasants this week. All the birds wintered well this past year. What we are hearing this year is the best we have heard going back to crowing since back in the 1980's.

This week we started seeing the hens with the roosters and it is so great to hear folks say, "Gosh, we are starting to see pheasants again". With the help of our members raising pheasants and you folks helping to support them by helping buy feed for the chicks and lumber to build the brooders, we have lots of pheasants out there to enjoy! The Heritage Pig Raffle was a huge success, the winner is John Gaither, from Grangeville. Folks cannot believe the difference in the color of the meat and far less lard. By the time you read this, we will have had our Raising Pheasants Education Day where we shared information to those who want to raise baby pheasants in our region. Thanks to Chris & Jess Ford, Joel Warner and Tammi Johnson for helping put this on. Also, thanks to Dale Rose and his volunteers for building our new style brooder to show and thank you Potlatch St. Maries Plywood for donating plywood for the brooders. We have so many folks to thank for donations and volunteerism; it would take a whole page of the CIA Newsletter to thank everyone. Just know we appreciate everyone who has helped in any way. If you are interested in donating to help us provide feed for the birds, you can go to our website, and donate to thegamebirdfoundation.org or just give me a call at 208-883-3423 or email jhagedorn611@gmail.com. Every donation helps. Watch for the news coming out about our new cups and coasters done for us by our own local artist, Andy Sewell. If you want the news that happens every week, and/or how to raise baby pheasant chicks just give us a call. Chris Ford at 208-997-8361, or Jim Hagedorn at 208-883-3423, and we will get you in touch with the right folks and resources. Moreover, I might say, none of this great work would happen without the help of our Secretary/Treasurer Tammi Johnson. God Bless and stay safe.

"The Pheasant Guy"
Jim Hagedorn

Potlatch Boy Scout Troop and Venture Crew

Hi folks! We have been quiet, but still active. If you are interested in our Troop, contact info is below. We have moved our meeting day to Tuesday evenings, 7:00 p.m., still at the "the old VFW Hall" (735 Pine Street).

The past months have included a few service activities: handing out drinks to runners at the Snake River Half Marathon back in March and helping the Lions Club behind the scenes the first weekend in April. Mostly, we have continued on with Merit Badge work and Advancement with the younger boys. We've also been working with the older boys moving toward Eagle Scout Rank. Look for two more Eagle Scout projects coming this summer!

Venture Crew has been fairly quiet, but hoping to gear back up as summer approaches. Venture Crew is for boys AND girls (co-ed) ages 14-20 interested in outdoor activities, leadership development, and more.

For more info our Troop & Crew, call Jim at 208-596-6237, Casey at 208-596-8561 and/or visit: <https://www.facebook.com/PotlatchScouts358>

Little Logger Leaders-April 2021

Mrs. Carlson's Fifth Grade: Our Little Logger Leader for April is **John Carnahan**. He is eager to participate in class discussions and to read out loud. He always wants to make sure he fully understands each concept before moving on. To do this, he asks clarifying questions, gives examples, and works hard to always do his best. John is also very helpful and helps his classmates when they have questions. Keep up the good work, John!

Mr. Christianson's Sixth Grade: April LLL is **Micheal Lawrence**. Mikey was chosen to represent our classroom as our Little Logger Leader because of his work attitude and ethic. Mikey comes into the classroom every day ready to learn. You can easily tell that he cares about his work because of his attentiveness to his work, asking insightful questions, and he isn't afraid to ask for assistance when needed or clarification on expectations. Mikey isn't afraid to hold his classmates accountable to the expectations either, giving them friendly reminders to stay focused and be paying attention. Keep up the great work, Mikey!

Mrs. Pfaff's Third Grade: **Samual Lusco** is our Little Logger Leader for April. Sam has been working hard all year to improve his academic skills and watching his success has been inspirational! Sam set goals for himself and when he becomes frustrated, I simply remind him what he is working toward, and he takes control of his emotions and gets to work. He keeps a positive attitude through adversity and remains kind to others and a good friend and student. Keep up the awesome work, Sam!

Mr. Gossack's Sixth Grade: **Aubree Sinnott** is our LLL for April. Aubree is a joy to have in my classroom. This year I have seen Aubree challenge herself to become better and work harder at her academics. Whenever I need a student to thoroughly explain the process for solving a mathematical problem, I can count on Aubree to give me a solution that includes the reasoning for how and why it works. Aubree's depth of mathematical understanding and confidence has grown immensely this year! Aubree, keep loving math!

Mrs. Weaver's Fifth Grade: **Greyson Armknecht** is our Little Logger Leader for April. Greyson is a studious, hard worker that shares creative solutions in problem solving. His quiet, clever sense of humor adds a positive element that is so important to our class environment. We appreciate you, Greyson!

Mrs. Wilson's Fourth Grade: Our Little Logger Leader is **Brynlee Breeze**! I appreciate the sunny disposition, kind heart, and contagious spirit of fun Brynlee brings with her each and every day. She is an amazing friend, fun to be with, and exemplifies a role model others can look up to. She works hard, presents her best work, and is always willing to help others understand challenging tasks and assignments. It has been such a joy to have her in my class this year. I know you have a very bright future ahead of you, Brynlee!

Ms. Montgomery's Second Grade: **Lucy Merten-Daily** is our April Little Logger Leader. Lucy demonstrates perseverance and determination when working on her lessons. Right before recess she often says, "I just need to finish this last sentence." Writing is her favorite subject and she uses a wide variety of vocabulary words and descriptive details in her work. Keep up the good work, Lucy.

Ms. Greer's Second Grade: Our Little Logger Leader for the month of April is **Trevin Candler**! Trevin has been an outstanding leader in our classroom in many ways. Trevin has shown that no matter who they are, he will accept and be friends with anyone and everyone. He is always making sure that every kid has a friend on the playground, and if they are alone, he will always invite them to play with him. Trevin has also shown he is a role model by being respectful to his classmates in class, always listening to them when they are reading to him, and making sure our class is a safe, fun place to be. Keep up the good work Trevin!

Ms. Ridgeway's Fourth Grade: Our Little Logger Leader for April is **Michael Scalzo**. Michael started with us in January and hasn't missed a beat. He has made so many friends, and is so kind to everyone around him. Michael is always helping others, and shows responsibility and leadership in the classroom and on the playground. He works hard at his school work, and has become an avid reader in the classroom. We are so excited to have Michael in our class this year!

Mrs. Burkgart's Third Grade: April's Little Logger Leader, I have picked **Maryele Remington**. Maryele just recently joined our classroom but it's like she has been here all year. She is an extremely hard worker who holds herself to very high standards. She has a huge heart and it shows in how she interacts with her classmates and other students in the school. She has been an amazing addition to our classroom family!

Mrs. Gussenhoven's First Grade: **Lillian DeMoss** is the Little Logger Leader for April. She is a hard worker in class and perseveres through any assignment she finds difficult. I am thankful for Lillian's willingness to keep trying until she fully understands the task at hand. She has such a bright, sunny attitude about school and offers many compliments to her classmates throughout the day. I am so proud of you! Keep up the hard work!

Mrs. McKinney's First Grade: Our Little Logger Leader for April is **Brooklyn Runyon**! Brooklyn is a very hard worker! She takes pride in her work and always wants to do the best that she can. I am so proud of all she has accomplished this year. Brooklyn has a wonderful personality and is always ready with a kind and encouraging word. Thank you, Brooklyn, for all your hard work and for being you!

Mrs. Short's Kindergartens: **Emmitt Hennigar** is our **Busy Bee** Little Logger Leader for April! There has not been a single day of school this year that Emmitt has not made his teachers and classmates smile or laugh. He has a great sense of humor and an infectious laugh. Emmitt has worked hard and grown so much this year in kindergarten! He cares about doing the right thing and takes his time to do his very best. I am so proud of him and am excited to see how much further he will grow by the end of this year!

Rhylynn Andres is our **Eager Beaver** Little Logger Leader for April! Rhylynn has come to school with a great attitude every day this year. She has impressed me with her 'keep trying' attitude and her willingness to give new learning a try. Rhylynn does not hesitate to ask for help and she doesn't give up, even when something is difficult for her. Because of this, Rhylynn has come so far this year in her learning, and I know she will continue to learn and succeed!

OUR SCHOOLS: April/May 2021

How the “landscape” has changed from a year ago to today for our school district. Last year at this time, the onset of the COVID-19 pandemic was in full swing. As a school district, we were shut down and providing virtual, remote, on-line learning to all of our students, Spring activities and sports were all shut down, and we were left wondering what our Senior Graduation was going to look like in May. Skip ahead to the present, one year later, and we are back to some semblance of normalcy. All students have returned to school full-time, five days-a-week, Spring events and sports are back in full swing, and Graduation plans are a little less scary knowing that we can once again utilize the Junior-Senior High Gym for the ceremony.

Speaking of Graduation, this year’s Graduation will return to the Gym on Saturday, June 5th. Due to current State of Idaho COVID protocol plans for Indoor Seating, we will be limiting the number of folks in attendance in the Gym to be at 400. Tickets will be provided to our Seniors, who will then distribute the tickets to their family and friends. Community members or patrons who come to the event without a ticket will not have the opportunity to attend. However, because of last year’s Senior car/truck parade turning out to be such a big success, we will put the parade on again this year (weather-permitting). This is a great opportunity for the community to come out and congratulate our graduating Seniors and show them our love and appreciation for their accomplishments! The parade will begin at 9:00 a.m. and will start out at Ponderosa Drive and make its way down Highway 6 back up to the Junior-Senior High School. Our Seniors will then park, go into the school, and get ready for Graduation. Graduation will begin at 10:00 a.m. For further information and updates, go to our Website and/or Facebook page.

Also of importance is that the search for a new principal for Potlatch Elementary School has concluded this past month. Pending approval by the Board of Trustees, Ms. Jill Diamond has been recommended to be the next principal at Potlatch Elementary School. Jill brings outstanding skills and leadership qualities to the position. She’s innovative, has a wealth of experience and knowledge in Education, is an excellent communicator, and is committed and motivated to bring continued success and growth to the students and staff of the Elementary and our District in general. If all goes according to plan, Jill will begin her duties on August 11th. Welcome aboard, Jill!

As for the Superintendent Search, the Board of Trustees, in collaboration with the Idaho School Boards Association (ISBA) is moving along with the process. The Board will be having special meetings upcoming in the next few weeks that will be open to the public to attend and listen to on the process of selecting a new superintendent for the district. Please go to the Website @ www.psd285.org for further information.

Classes for Fit & Fall Proof will start in the near future. Stay tuned.

BINGO MONDAYS ARE BACK-MAY 3

Greetings Harvard Friends and

Neighbors of Precinct 22

We will have a meeting to discuss restoring our Harvard Hall voting location. It's time for clarification, transparency, and having genuine community input regarding this important issue. Sunday, May 23, 2021, 3:00 p.m. at the Harvard Hall.

Please bring any communications with our election officials that you would like to share. See you Sunday, May 23, at 3:00 p.m.

Upcoming Election Tuesday, May 18, 2021

I, Tim McKinney, am a candidate running for the North Latah Highway District Road Commissioner position. I would like to be an active participant in the maintenance and upkeep of all of our local county roads in the Potlatch, Princeton, and Harvard areas.

I have lived in this area all of my life (54 years) and feel I could contribute to the position with my background and knowledge of truck and heavy equipment. Having my own business and being a property owner, I will have your best interest to be financially responsible with your tax dollars.

The election for the position of North Latah Highway District Road Commissioner will be held on Tuesday, May 18, 2021 at these voting locations from 8 a.m. to 8 p.m. Palouse, Potlatch and Cora (Precinct 26, 27, and 31) will vote at Scenic Six Park Building in Potlatch; Harvard and Princeton (Precinct 22 and 28) will vote at Palouse River Community Center in Princeton; Onaway (Precinct 37) is Designated Mail Ballot Precinct. Please Note, your voting location may have changed.

Absentee ballot requests can be found at Idaho-Votes.gov and must be received by the elections department no later than 5:00 p.m. on May 7, 2021 for a mail-in ballot. In-person Early Voting will be available at the Latah County Courthouse starting May 3, 2021 and ending on May 14, 2021 between 8:00 a.m. and 5:00 p.m. in the Latah County Auditor's Office.

Feel free to call me with any questions.
Tim McKinney 208-875-0444 or cell 208-301-4216

Chambers' Family Says "Thanks"

Our family would like to send out a heartfelt thank you to everyone involved with the dedication sign to our brother, Bobby. Representative Caroline Nilsson Troy, Senator Dave Nelson, Idaho Transportation Department (Doral Hoff and Ty Winther), Don Ball, Robert Kerns, and a very special thank you to our friend, Darrel Kibbee.

All the donations from family and friends are greatly appreciated. Thank you for caring about our brother, Bobby.

Potlatch Veterinary Clinic
⊕

240 6th St.
Potlatch, ID 83855
208-875-4838 (4VET)

We will be hosting another **Feline Neuter Clinic** on **Saturday, June 19, 2021!** If you have a male cat (or cats!), 2 lb. or more and older than 3 months, for only **\$20** they can be examined, castrated and given a 1 year Rabies vaccination. If you would like to reserve a spot(s), give us a call at 208-875-4VET (4838) or send us an email at PotlatchVetClinic@gmail.com

June is also Nutrition month at the clinic! If you have a furry friend who might be carrying a little extra weight, come in for a Nutrition Consult with one of our veterinary staff members to learn how you can provide a healthier diet and happier life for your pet. Plus, for the month of June receive 20% off your Nutrition Consult visit.

Potlatch Veterinary Clinic is a proud supporter of FFA and 4-H. From now until the Latah County Fair takes place in September, all Fair animals will receive 20% off any services they require.

We are also having a **RAFFLE!** At the Latah County Fair, Potlatch Veterinary Clinic will be purchasing one of the market pigs, having it processed by our friends at Potlatch Pack and raffling off one half each to two lucky winners! To enter, have any animal, pet or livestock, examined between now and the end of the Latah County Fair. One raffle ticket per animal examination.

AND

AND

AND

WHEN: June 5, 2021

WHERE: Viola, Idaho – South Main Street

Across from the Viola Community Center

8:00 AM: Yard and Craft Sale starts at 8 AM

10:30 AM: Auction Starts

The auction will consist of rifle reloading equipment, shells, casings, primers. There is just too much to list. 21 boxes of 16 gauge shot shells – Peters (a company that has been out of business for a great number of years), Remington, Federal. 410 shells, this is all lead shot. This will all be sold at Auction. It will be on display one hour before auction time.

Auction will start at 10:30 a.m. - nothing will be sold before the Auction. This was donated to TGBF by an estate to help pay for the chick feed and brooders for pheasants and Red Legs raised and released by The Gamebird Foundation membership.

- Crafters, please call for a table space!
- Donations welcome (no clothes or books please)
- If you need more information, call Jim Hagedorn 208-883-3423 or email at jhagedorn611@gmail.com.

MOUNTAIN HOME GRANGE # 285 IS COMING BACK!

Twenty-nine people met with representatives of the state and national grange on April 17, to recharter the Mountain Home Grange. Organized by forty members in April 1931, the grange started cutting logs which were hauled to the Alvah Strong mill to be sawed into lumber to build the hall. Land for the hall was donated by Mr. and Mrs. Frank Hanna in 1934, and the first meeting in the new hall was in January 1936.

The voting place was moved to the grange hall from the Burden School in 1936. In May 1939, the grange sponsored the F.M.B.E. 4H Club, and the Juvenile Grange No. 88 was chartered in 1953. That same year the kitchen, juvenile hall, and stage were completed and celebrated by a dinner in the new kitchen for 100 people. Be a part of our history and come help revitalize this important community building! The only other historic building remaining in the NW part of Latah County is the Elmore Church which was built in 1918.

Fit and Fall Proof Update

Fit & Fall Proof has started again at the Palouse River Community Center in Princeton. We meet every Tuesday and Friday from 9:00-10:00 a.m.

Fit and Fall Proof is a program designed by the Idaho Department of Health to prevent falls among our mature citizens. We work on improving strength, balance, and endurance through walking, stretching, use of bands, weights, balls, and more.

Another important aspect of Fit and Fall Proof is social interaction, which means we have a lot of fun. The class is totally free and all ages are welcome to join us. If you have questions, call Carol at 208-669-1949 or Ruth at 208-875-0317.

Thank You to Cabinets & More

The Palouse River Community Center would like to extend a heartfelt thank you to Tom Carpenter at Cabinets & More for fixing one of our cabinet drawers.

We all appreciate you taking the time to remake the entire drawer for the community center. Every time we open that drawer, we are reminded of your workmanship and generosity. Thank you so much for your help with fixing this for us.

Many Thanks,
Palouse River Community Center,

THE GAMEBIRD FOUNDATION

*Promoting habitat protection and responsible
wildlife management*

The folks are loading their brooders with baby pheasant chicks. IDFG helps pay for the baby chicks, the members from TGBF do the rest, feed them, build brooders to keep them warm, raise them till they are 10-12 weeks old, and then release them into the wild habitat for all folks to enjoy.

Red Legs eggs are arriving this week. Those raising Red Legs, get your brooders ready as they will be hatching around June 16-17. Remember, if you want to donate anything for the benefit of future pheasants in Latah County, you can just bring it to the sale and put it on a table.

Come spend/donate some money to raising these chicks at our June 5 Yard Sale, Craft Sale, and Auction (flyer in this newsletter). Yard and Craft Sale starts at 8:00 a.m., Auction begins at 10:30 a.m. **If you need more information, call Jim Hagedorn 208-883-3423 or email at jhagedorn611@gmail.com.**

“The Pheasant Guy”
Jim Hagedorn
Executive Director TGBF

F.M.B.E.

4-H Club members have been busy with projects, many selecting their pigs and getting sheep pens ready. We are required to track all project expenses and this year feed prices have gone up.

At our last meeting, members gave demonstrations on interesting topics including horse breeds, the swine market, how to manage anxiety in the show ring, the nutrition of beef, rabbit illnesses, and freeze branding.

We had a record number of volunteers turn out for our community service day, cleaning up the highway at

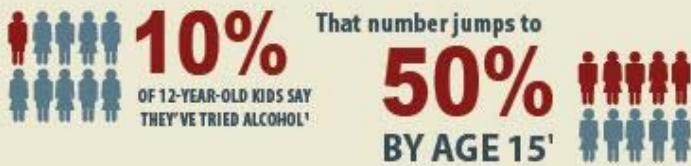

the entrances to Potlatch. We are happy to report there was less litter to pick up! Taking care of our community makes F.M.B.E members feel great! Have a great summer!

~ Reporter Elena Vowels

START THE CONVERSATION ABOUT UNDERAGE DRINKING

The sooner you talk to your kids about alcohol, the greater chance you have of influencing their decisions.¹ Practice for one of the most important conversations you may ever have with SAMHSA's "Talk. They Hear You." Mobile Application, available for download on iTunes, Google Play, and the Windows Store. Learn more at <http://www.samhsa.gov/underage-drinking>.

KELLY'S SPLASH PARK DEDICATION

Ever wondered what a Splash Pad is? Well, it's where you go to get wet and cool off. Just stand and let the water soak you down or walk around and get hit by several nozzles! Potlatch's Scenic Six Park has one on the west side of the park. Here's how it came into being.

Robin Woods, our local representative for the Idaho Department of Commerce, told me about a new program that Commerce had started for parks. I asked her if Splash Pads would qualify, she checked, and it did.

Kelly Dahlquist, a grant writer at Clearwater Economic Development Association, was contacted and asked if they would write the grant and she said, "yes". Kelly told me that the City of Orofino had just put one in, so she made arrangements with them for a viewing. Kelly, Joan Bender, Salie Anderson, and I went down for a peek and met with the city manager and the city people that built it. We went on to Kooskia to view another one there.

We bought our fixtures from Raindeck, out of Mesa, Arizona. I went to their website and picked the above ground fixtures, and talked with them about what I wanted. I told them the specifications wanted for the pad, then they designed and engineered the pad and added the ground level jets. They also added 2 footings that we can add fixtures to when we have the money to buy them.

It is a \$120,000 dollar project: we received \$80,000 from commerce, \$10,000 cash from the Potlatch Recreation District, \$10,000 cash from the City and then \$15,000 of In-Kind. The In-Kind consists of Source Electric, the city's labor, and a grant written by Brett Carpenter to the Board of Realtors that paid for the concrete slap and seating benches.

It became a far bigger project than I had anticipated, so I hope everyone will enjoy it and have lots of fun.

The lady, Kelly, that wrote the grant, found out about a month after she wrote and received the grant, that she had terminal cancer. On July 17, 2019, Kelly passed away. So in memory, we have named the splash pad, "Kelly's Splash Park".

We will have a dedication on the 19th of June at 2:00 p.m. with hot dogs and drinks.

Thank you all for your support with this project.
David Brown, Mayor

Little Logger Leaders-May 2021

Mr. Gossack's Sixth Grade: Hunter Redmond is our LLL for May. I can always count on Hunter! He is a natural leader in our classroom and his peers look to him for direction. Throughout the year we have been working on using the leadership skills that he possesses to positively influence people around him. Hunter, I am proud of you! Keep it up!

Mrs. Carlson's Fifth Grade: Our Little Logger Leader for May is **Cadance Carlson**. Cadance puts first things first by staying focused on her work and making sure to use her class time wisely. She asks questions so that she fully understands what she's asked to do. Cadance loves to write in cursive and loves to write stories. Her creativity shines through her word choices and artwork. Thanks for being you, Cadance!

Mrs. Weaver's Fifth Grade: Our Little Logger Leader for May is **Aurora Stoor**. Aurora is focused and driven to complete all of her class assignments in a timely manner. She has a bright smile and a friendly attitude that spreads positivity to those around her. Keep up the good work, Aurora!

Mrs. Burkart's Third Grade: Our Little Logger Leader for May is **Marlee Smith**. Marlee is a very determined young lady who has worked very hard this year. She has been working to improve so many academic skills and hasn't given up. She also has become a huge helper in the classroom, wanting to help the other kids and me with anything that she can. I am very proud of her determination and the work that she has put in to improve her skills as well as gain confidence. She has been a great addition to our classroom family.

Mrs. Pfaff's Third Grade: Little Logger Leader for May is **Brayden Sharp**. Brayden has maintained a positive attitude about school throughout the year. He is kind and helpful to his classmates and I can always count on him to be honest. I appreciate how hard Brayden works independently as well as in groups. He is an example to his classmates when it comes to modeling respect to teachers, others, and himself. I have tremendously enjoyed having Brayden in my class this year!

Mrs. Wilson's Fourth Grade: The Little Logger Leader for May is **Wyatt Cessnun**. I appreciate the type of student Wyatt is in the classroom and around the school grounds. He is extremely kind and generous, always sharing what he has with others, and kindly helping anyone in need, often without even being asked. In addition, he is extremely conscientious in making sure he is paying attention in class, understanding assignments, and taking responsibility for his learning. He provides a great example of what a student leader is and is someone his classmates can look up to. I'll sure miss you next year, Wyatt, but I know you'll move on successfully from grade to grade, all the way to graduation!

Ms. Montgomery's Second Grade: Brentley Woodin is our May Little Logger Leader. Brentley demonstrates leadership skills as he always comes into our classroom ready to work and learn. Brentley is a quiet boy, yet participates in class discussions. He is a considerate and respectful citizen of our classroom family. Good job, Brentley.

Mrs. Short's Kindergartens: Our **Busy Bee** Little Logger Leader for the month of May is **Clara Lovell**. Clara is a leader in the classroom in the way she treats others. She is patient and kind with her classmates, and she offers help in a gentle and supportive way when she notices someone in need. Clara is attentive and respectful not only to her teachers and other adults, but also to her classmates. She is eager to take in new ideas and learn from others. We really enjoy having Clara as a friend to learn and grow with.

Our May **Eager Beaver** Little Logger Leader is **Maggie Osborne**. It has been such an amazing experience getting to know and watch Maggie grow this year. She has made such remarkable progress since the start of kindergarten and is now a consistent leader in the classroom. Maggie puts forth her best effort in her work, accepts challenges, and cares about her learning. She is consistently kind, respectful, and giving. Maggie has built strong relationships with her classmates and teachers. I look forward to watching her continue to grow and amaze us!

Mr. Christianson's Sixth Grade: I have chosen **Baily Bain** to be our Little Logger Leader for the month of May. She is the embodiment of extending the helping hand. When something needs to get done or if anyone needs help, Baily is one of the first students to volunteer to help. Baily's work ethic and attitude are traits to marvel at as well. She does not settle for anything less than her best. She puts forth her best all the while making the learning experience her own. Keep up the great work, Baily!

Ms. Greer's Second Grade: Our Little Logger Leader for the month of May is **Everett Shoemake!** Everett has shown what leadership truly means in these last weeks of school. He has always been excited about being in school, and continues to have an outstanding attitude with everything he does. Whether it is recess, reading, or math, Everett has shown his classmates that nothing can bring down his mood. He never fails to make us laugh with a joke, or remind us about having a good day. I am so thankful you are in my class, Everett!

Ms. Ridgeway's Fourth Grade: Our little logger leader for the month of May is **Cameran Lynas**. Cameran has been an outstanding member of our classroom community all year long. She is a kind friend and classmate, and works hard each and every day. She sets a positive example, and is looked upon as leader and role model in and outside the classroom. We appreciate her kindness and positive attitude, and we are so proud of her!

Mrs. Gussenhoven's First Grade: Mark Reid is the Little Logger Leader for the month of May. He has worked hard this year and has made great improvements in all areas. Mark is kind and helpful to his classmates. In class discussions, he is a great role model for his peers and has very insightful answers, taking his time to answer. I love having Mark in my class. Keep up the good work!

Mrs. McKinney's First Grade: Our Little Logger Leader for the month of May is **Landon Musick-Brent!** Landon is a very hard worker and has done exceptionally well in all of his subjects. I am so very proud of the effort to which he applied himself! He is always willing to participate in class and gives 100% effort in all his work. Landon is kind to his classmates and is always willing to include his peers in activities. Landon, I have enjoyed having you in my class this year! Thank you for being you!

OUR SCHOOLS: May/June 2021

It has just been a “whirlwind” of events and activities this past month, and will continue to be so until the last days of school. By the way, the last day for school is Thursday, June 3rd. Just a reminder that this is not an early release day, this is a normal, full-day of school. As mentioned in last month’s news, Graduation is scheduled for Saturday, June 5th, beginning with a Parade at 9:00 a.m., followed by the Graduation Ceremony at the Junior-Senior High Gym at 10:00 a.m. Due to the Governor’s moving of Idaho back to Stage 4 of the Idaho Rebounds system, we will be able to open up our Graduation program and the Gym setting to host all families and community members that would like to attend. Any mask requirements will now be mask recommendations at this time. We are excited for this opportunity for families and community to once again honor our Seniors in our time-honored tradition.

As it so often happens, as we move closer to the end of the school year, employees of our District make decisions in their life to relocate, begin searching for another position, or as in the case of Mr. Haire and myself, opt for retirement. The following staff will not be coming back to the District next year:

Sheryl Tietz – Custodian – 9 Years of Service to the District

Jennifer Short – Kindergarten Teacher – 4 Years of Service to the District

Dona Merrill – School Nurse – 25 Years of Service to the District

Judy Savage – Elem. Sp. Ed. Teacher – 25 Years of Service to the District

The time and work that these ladies gave to our students and to the District in general has been incredible. As much as I am happy to see them move on into the next chapters of their lives, I am extremely saddened by their leaving. They have had a tremendous positive impact on our students and schools! Thank you, Ladies – you will be missed!

The Board of Trustees is proud to announce that Janet Avery will take over the reins as superintendent of the District once I step down from the position on June 30th. Janet’s duties and tenure begins on July 1st. Janet went through the interview process with the Board and was selected and approved as superintendent at a Special Board Meeting on May 10th. For the past eight (8) years, Janet has served as the Curriculum Director for the Jerome School District and before that, served as Principal and Assistant Principal at Jerome Middle School. I am truly excited for the District as well as for the Community. Janet will bring a myriad of leadership skills and qualities

that will continue moving our District forward, strong & successful, for years to come.

Lastly, please note that the Calendar for the 2021-2022 School Year has been approved and can be found on our school website at www.psd285.org. If you have any questions about the calendar or need further information, please contact the District Office. Thank you and have a great rest of May and start of June!

Jeff Cirka, Superintendent
Potlatch School District #285

Cody Hendrix Thank You, Memorial Fund, and Fundraiser

The family of Cody Hendrix would like to thank everyone for the phone calls, cards, flowers, food, and all the condolences during this difficult time.

Rob and Ann Hendrix
 Tami McDonald
 Eddy and Jaycie Arnold
 Dennis and Mary Ann Hendrix
 Lynn Woodin
 Aunts, Uncles, and Cousins

A MEMORIAL FUND has been set up at Latah Credit Union under his sister, Jaycie Arnold's, name. We are using the memorial funds to have a skate park built here in Potlatch, in memory of Cody.

We will be holding a fundraiser yard sale on June 19th at 1095 Onaway Road. All proceeds will go to the skate park fund.

Save Fuel Shop Local!

Onaway Water System Consumer Confidence Report is available to interested Onaway Water and Sewer District patrons. Contact Julie Lusby at 208-596-6843 or at onawaywaterand-sewer@yahoo.com

Opportunity for local quilters to share their quilts.
Sponsored by Pine Needlers Quilt Group

Potlatch Lions Den

Can you feel it? The excitement in the air?
Yes, it's true! The Potlatch Lions Club is happy to announce the return of the 47th Annual Potlatch Days Celebration, July 16-18!
We're even more excited to announce our **Grand Marshals: the Potlatch Fire & Ambulance Crew!** Who could be better to promote our theme, "Breathing Life Into Our Community!"
Potlatch Days kicks off on Friday, July 16, with a free concert in the park featuring country musicians, the Beer Bellied Snitches. The concert runs from 7:00-10:00 p.m. at Scenic 6 Park with the Lions Cook Shack ready to grill up some burgers. Nancy's Fitness will also be holding a Beer Fun Run, Relay Race, and a Scavenger Hunt starting at 6:00 p.m.
The Lion's Breakfast is back on Saturday morning, running from 6:00-9:30 a.m. Tickets are \$7 in advance or \$8 at the breakfast. Entries for the parade start at 8:00 a.m. at the Railway Depot with a parade start time of 10:00 a.m. scheduled.
Once the parade is over, be sure to make your way down to Scenic 6 Park to check out the 40+ food, craft, and service vendors, along with games for the kids provided by Potlatch PTO, logging events, a corn-hole tournament, pickleball, RC car racing, and much more!
The 17th Annual Car Show will also be taking place in the park with check in at 8:00 a.m. and the show starting at 10:00 a.m. Be sure to check out the "Sponsor's Choice" award winners and the "Best in Show." If you'd like to participate in the car show, please call Craig Swanson at 509-209-6706.
At 4:00 p.m. will be a **Demolition Derby**, which promises to be fun for the entire family! Tickets can be purchased at the gate.
Be sure to stop in and say thank you to the following local businesses that have donated raffle items and/or are serving as Sponsors for the Car Show: Northwest Pharmacy, Potlatch Family Dental, Potlatch Veterinary Clinic, City of Potlatch, Scenic 6 RV Park, Source Electric, Kuhl Auto Parts, Latah Credit Union, FM Auto, North Palouse Veterinary Clinic, Don Ball Professional Realty Services, PS Espresso, Lil' Bitz and Britches, Chipman & Taylor Chevrolet, Jess Ford, Moscow Auto Parts, Busch Distributors, Idaho's Best Homes & Land, Four Star Supply, Lucky 7 Bar, Lock & Load Storage, Potlatch Pack, Potlatch Family Care, Lorianne Wheatley, Harvest Foods, Codi Jo's Wagon Wheel, US Bank, Dan Lawson DDS, and Red Fir Coffee.
This is just a short list of the generous local businesses that are helping to make Potlatch Days a success! We will be sure to include a complete list next time to say thank you!

Maybe you sent a card, text, email, sent food or flowers, or donated to a cause on behalf of our mom **PATTI WALTERS**, whatever the thought may have been, we **THANK YOU** from the bottom of our hearts. We know we are not the only ones feeling a huge loss, but we appreciate your thoughts in helping us during this difficult time.

Thank You again and Thank You for being a part of Mom's life!

With love, Craig Walters,
 Terri Katus, Kathi Nygaard,
 and our families.

John Haire Says Thank You!

Thank You! To all the students, staff, parents, and patrons of past and present: Thank you for the kind sentiments, drop by visits, cards and gifts.

It is truly humbling and demonstrates what makes this community so special. It has been an honor and pleasure serving you all for the past 30 years. You have shaped me into who I am and for that I thank you as well.

Take care and God Bless,
John Haire

Palouse Habitat for Humanity is pleased to announce that Eldon Hodges has joined our team as the new Manager for the Palouse Habitat Surplus Sale.

Eldon was born in Lewiston and grew up in Palouse: farming, raising cattle and hogs, and riding motorcycles. He moved to Utah to become a ski bum and ended up working for the Utah Snow Basin Ski Patrol before studying nursing at Weber State University. Eldon spent the next 20-plus years as an ICU and ER nurse. Since leaving health care over ten years ago, he has farmed, worked building maintenance, and sold hardware and lumber. He is the father of three sons. His new life goal is to fish the entire Kelly Creek drainage.

"Eldon has that jack-of-all-trades background that works so well at Habitat," shared Jennifer Wallace, Executive Director. "His easy-going personal style, and handyman experience make him a great fit with store shoppers and volunteers."

The Palouse Habitat Surplus Sale is region's thrift store for affordable home improvement and repair materials. The store sells donated gently used or left-over new construction materials, including lumber, trim, plumbing, electrical, and tile, as well as furniture, appliances, antiques, seasonal materials and more. The funds raised at the Surplus Sale help Habitat build and repair homes for low-income families in need around the Palouse.

Please stop in and welcome Eldon at the Store, 304 N. Main Street, in Moscow!

Potlatch

VETERINARY CLINIC

We at Potlatch Veterinary Clinic are passionate about providing opportunities for our community to spay and neuter their animals. We just wrapped up another Feline Neuter Clinic in June but will be offering another in the near future. If you have male cats that you are interested in having neutered and vaccinated for Rabies (for only \$20!), give us a call anytime and we will reserve you a spot in the next clinic.

Can't wait for the clinic or have another pet that needs to be fixed? **For the entire month of July, we are offering 20% off our already very affordable spay and neuter prices!**

For 4-H and FFA participants, all Fair animals are still receiving 20% off services until the Latah County Fair takes place in September.

We are also having a **RAFFLE!** At the Latah County Fair, Potlatch Veterinary Clinic will be purchasing one of the market pigs, having it processed by our friends at Potlatch Pack and raffling off one half each to two lucky winners! To enter, have any animal, pet or livestock, examined between now and the end of the Latah County Fair. One raffle ticket per animal examination.

And finally, please join us in welcoming Dr. Jackie Reese to the Potlatch Veterinary Clinic family! We are thrilled that she has joined our team! Stop by and say "hi" anytime. We are located right across the street from the new Red Fir Coffee House.

Fit and Fall Proof Update

Fit & Fall Proof has started again at the Palouse River Community Center in Princeton. We meet every Tuesday and Friday from 9:00-10:00 a.m.

Fit and Fall Proof is a program designed by the Idaho Department of Health to prevent falls among our mature citizens. We work on improving strength, balance, and endurance through walking, stretching, use of bands, weights, balls, and more.

Another important aspect of Fit and Fall Proof is social interaction, which means we have a lot of fun. The class is totally free and all ages are welcome to join us. If you have questions, call Carol at 208-669-1949 or Ruth at 208-875-0317.

F.M.B.E.

To start off this month's F.M.B.E. 4-H news, we would like to congratulate member, Sam Barnes, for winning (for the second time) the Idaho State Shotgun State Championship! 4-H project leader, Rod Kenworthy, led a group of 4-H members to the state event. Sam will represent Idaho, competing at the national competition in Nebraska. The popular 4-H Shooting Sports project teaches marksmanship, safe and responsible use of firearms, principles of hunting, and much more.

4-H kids are busy preparing for upcoming events, including a club fundraiser car wash, livestock weigh-ins, and the County horse show (7/24) at the Cayuse Kids Saddle Club.

~ Reporter Elena Vowels

THE GAMEBIRD FOUNDATION

Promoting habitat protection and responsible wildlife management

News from The Gamebird Foundation (TGBF) that brings you PHEASANTS AND THE NEW RED-LEGGED PARTRIDGE. We are right in the middle of raising around 8,000 baby pheasant chicks to adulthood and releasing them into some of the best habitat we can find in our beautiful region. Little Canyon Shooting Sports just hatched out our Red-Leg eggs that TGBF purchased with multiple donations. Out of the 2,100 eggs, they hatched out 1,300 baby chicks! We now have them in brooders and the members of TGBF will raise them until they are 10-12 weeks old to be released in several small groups of 10 to 15 around the Clearwater Region.

TGBF can only do this with the support of membership and the community who donate a little time, money or materials to help build the brooders. This also helps buy the feed that it takes to raise the birds to adulthood so we can release them for the viewing of the general public. The Gamebird Foundation is a 501c3 non-profit corporation. When you donate for tax relief, you help us raise and produce more birds for your viewing pleasure, the enjoyment of our youth, and our hunting friends. We need your help. You can go to www.thegamebirdfoundation to join as a member and/or make a donation. God Bless and Stay Safe,

If you need more information, call Jim Hagedorn 208-883-3423 or email at jhagedorn611@gmail.com.

“The Pheasant Guy”
Jim Hagedorn
Executive Director TGBF

OUR SCHOOLS: June/July 2021

We did it! With all the challenges that we, as a school district and a community, had to face throughout the year, we were able to complete the school year with flying colors. Congratulations to our Graduating Class of Seniors! What a great accomplishment!! Thank you to our parents, as well as all of our students, who hung in there throughout the year, whether we were in our “hybrid” model or back to school full-time, with masks or without. As we look ahead to the start of the 2021-2022 school year, it is great to know that we are looking to going back to our traditional delivery model, five (5) days, full days, all students!

We have some great news about our website and our mobile app. We have updated our site and our mobile app. We are excited about the changes and believe our site and app are a bit more “user-friendly”. Take a look.

MOBILE APP

Did you know we have a brand new mobile app for Android and iOS devices? With this app, you can stay connected with news and events at Potlatch School District. To download, click one of the links below for your mobile device.

ANDROID:

https://play.google.com/store/apps/details?id=com.schoolpointe.id_potlatchsd285&hl=en&gl=US

iOS:

<https://apps.apple.com/app/id1571312128>

As was shared in the past months, my last day as superintendent for the District is June 30th. It has been a joy and an honor to have worked for this District in this capacity the past 10 years. I am very pleased at the growth our District has made in that time, knowing full well that educational growth and success is what we continue to strive for. I want to thank the Potlatch community, the various members of the Board of Trustees over the years, and the Potlatch School District staff in those 10 years, who placed their trust and faith in my leadership abilities. The success our District has had is due to the concerted efforts of all of us working together to provide the best education and services for all of our children. I will always cherish the memories that I have and the time that I have spent at Potlatch. I wish you all the very best, now and always.

Go Loggers!!!

Jeff Cirka, Superintendent
Potlatch School District #285
208-875-0327
jcirka@psd285.org

We invite kids Pre K - 6th grade to join us at Princeton Church of the Nazarene July 19-23.

Registration begins at 4:30 - 8:00 p.m.

Pre-Registration is helpful. If you need a registration form, contact Lisa 208-596-3072 (leave a message if she doesn't answer).

Kids going into 1st grade-6th grade can pick 1 sport for the week Basketball, Cheerleading or Soccer.

We will have Sports, Music, Bible lesson, Snacks and a Lot of Fun!

We hope to see you there.

Elmore United Methodist Church

We remember Pastor Kathy Kramer and have prayerful thoughts for her husband, Robert, and for her sons, Matt and John Williams and their families.

On April 25 we welcomed Pastor Catherine Lyle and her family. Catherine will soon complete her seminary degree; her husband, Kevin, is a network engineer with the Spokane Transit Company; Braeden (6) and Rowan (4) have completed kindergarten and pre-school at St. Matthew's Lutheran School. The family will commute from Spokane on week-ends.

Pastor Catherine can be available at other times; her phone number is 509-570-3938.

**LOCAL INFORMATION
YOU NEED TO KNOW!**

Effective immediately, all Bennett Lumber land is closed to public access for any reason due to extreme fire danger. If you previously obtained written permission to access our land, that permission is now invalid. All Bennett land is closed to public access until further notice.
Please share.

 ★ The community flag at the Scenic 6 Park was a dream of Patti Walters. Gene and Patti, along with Kenny Cada, were instrumental in raising funds and organizing this project in 2005. As most people know Patti, aka "Betsy Ross", has passed and we are left with a need for volunteers to help with flag repairs, funds to purchase new flags, and make repairs to the flag pole.

★ If anyone would like to make a monetary donation, please make your check to Kendria Cada, Terri Katus, or Paula Nicholson, and mail to Community Flag Fund, PO Box 624, Potlatch ID 83855 or drop off donations at Idaho's Best Homes & Land.

★ If you would like to help with sewing repairs for the flags please reach out to Terri Katus or Kathi Nygaard.

Thanks to Travis Nagle

The Potlatch Recreation District wants to thank Travis Nagle for finding and installing the benches at the two new baseball backstops to complete our project.

Thanks again, Travis.

Scouts & Crew: Snow cones and info at Aug 3 National Night Out!

Do your kids love the outdoors? Want to learn outdoor skills, first aid, leadership? Earn merit badges, canoe rivers, hike mountains? *Come visit us for a snow cone at National Night Out on August 3*, and also learn more about our activities! Besides snow cones, we'll have games, and information for anyone interested in Scouts and/or Venture Crew, as well as Cub Scouts.

For those not familiar with Scouting: What used to be called "Boy Scouts" is now called "Scouts BSA", with the welcoming of girls. Scout Troops can be all-boy or all-girl, and are open to ages 11-17. Our Troop 358 has been around for approximately 75 years and has been very active. We would love to have more boys (and their families) join! Come learn more on the 3rd! At this time, Potlatch does not have a girls' Troop. We will have information about forming one if folks are interested.

Venture Crew is for older boys and girls (14-20) and is co-ed. The slogan for Venture Crew is "Lead the Adventure" and represents the increased focus on leadership, planning skills, and high adventure opportunities. Our Crew would love to tell you about our activities, and would welcome new members.

Potlatch's Cub Scout Pack has been on a hiatus due to lack of adult leaders. Yes, it takes some commitment, but the few hours a week are totally worth it! Come talk to us if you (or your child) are interested! Training opportunities are well-developed, and the regional district will be very supportive, as will the current Scouts and Venturers. (All adult leaders must pass a background check.)

Meanwhile, since our last article a few months ago, we have gone on two different canoe-campouts. First was a weekend trip back in May to test out the canoes and refresh our skills. Then we spent the last week of June in Montana, canoeing a 59.5 mile stretch of the Missouri River, including the Wild and Scenic portion. It was hot for sure, but the cool water and shady campsites were awesome, as were the spirited games of "canoe tag."

We hope to see you on August 3! *For more information about our Troop & Crew, call Jim at 208-596-6237,*

Casey at 208-596-8561 and/or visit:

Invite a friend & make some new ones.*

Pine Needlers Quilt Show

Thank you area quilters for making the quilt show such a beautiful exhibit this year. There were many stunning quilts. Special thanks to Carolyn Gottschalk for being our featured quilter.

Congratulations to the People's Choice Award winners.

1st - Sharon Bunce - January through December appliquéd wall quilts made from beautiful batik fabrics. Each month's quilt had so much detail that it turned into a multi-year project.

2nd - Diana Flint - A large monochromatic quilt with meticulous hand turned needle appliqué and hand quilted. This quilt also had a coordinating back.

3rd - Kathy Orr - A lovely fat quarter blue and yellow quilt using the Hanky Panky pattern. She added extra borders and used left over fabric to create the piano key border.

BBQ at Scenic Six Park by Nazarene Church

Princeton Church of the Nazarene will be hosting a BBQ at Scenic 6 at 6:00 p.m., on the first three Thursdays in August.

We encourage kids and family to join us at Scenic 6. Bring your soccer ball, basketball, lawn chairs for a time to stay connected and have fun after Mega Sports Camp! Summer Fun!

MAKE AN IMPACT IN THE POTLATCH COMMUNITY!!

We are asking for your help in making a dream come true in our small community. You may have even seen the sign showing that the Cody Hendrix Memorial Sports Park is coming soon.

Cody Hendrix was an avid skateboarder and to keep his legacy alive, we are working on getting a skate park built in Potlatch at the Scenic Six Park.

Along with grants and fundraising, we are still asking for your help by donating.

A donation account has been set up at P1FCU under the name Cody Hendrix Memorial Fund where funds can be deposited, or sent to P.O. Box 154, Princeton, ID 83857, a Venmo Account has also been set up:

@CodyHendrixSportsPark

We greatly appreciate every contribution that is made and that has already been made.

Swinney's Say Thanks to All

To our family, friends, and this amazing community that continues to step up when members of this community's lives are turned upside down as ours was. Our heartfelt sincere appreciation, gratitude, and thanks do not seem enough, but it is all we have.

The prayers, messages, texts, go-fund me account, private donations, silent auction items, logging truck load of wood logs, groups that donated, the time spent making sure everything was a success, mowing our grass, washing our vehicles, keeping our flowers and new tree alive, and the love and support that has been shown to us during this difficult time will be remembered forever!

When we were weak you held us up! Rick is home and we are working on getting him stronger before he starts chemo in eight weeks. Our wish is for God to bless you as you have all blessed us!

THANK YOU!
Rick and Debi

Potlatch Arts Council

Join us at our next monthly meeting on August 9, at 6:00 p.m. at the Potlatch Public Library. We welcome any and all new members who have an interest in working to enhance the enjoyment of ALL the arts. After a year of social isolation, the Arts Council has resumed and we are back with some exciting new projects. It was so great to see each other again and to once again make tangible plans for art activities for our community.

Because of covid restrictions, some of our activities have had to be rescheduled. For example, we had to cancel not once, but twice **Missoula Children's Theatre**, and it looks like we won't be hosting this amazing group until the spring of 2022. After over 20 years of this vibrant community theater event, that was a blow. Also, the **Fiddle Show** is canceled for another year due to concerns about travel and the age of many of the participants.

That's the bad news. The good news is that we have two exciting art events planned for this year. The Arts Council is sponsoring a 10 foot tall steel-cut panel in the familiar Idaho shape designed by our very own Karen Rohn. It will be mounted on the side of the city shop and will be one of the first things people see when they drive into town. Karen is proposing to include local students to help with the painting. Projected completion of this project is the fall of 2021.

The other project in the works is the installation of two permanent musical instruments in the Scenic 6 Park. These instruments are modeled after African rhythm instruments and are suitable for all ages and all levels of musical expertise. The proposal includes an option for the addition of additional instruments in the future. The instruments will be mounted on a concrete slab and will be placed between the splash pad and the ball field, beside the walking path - art and music combined, as these are beautiful both visually and auditory. We hope to complete this project in the fall of 2021.

Potlatch Arts Council, founded in 1992, is an all-volunteer non-profit organization. Our mission is to nourish the creative spirit in our community through arts and cultural programming, advocacy and development. Meetings are held the 2nd Monday of each month at 6:00 pm in the Potlatch Library. For more information, email potlatchartscouncil@gmail.com or P O Box 10, Potlatch 83855.

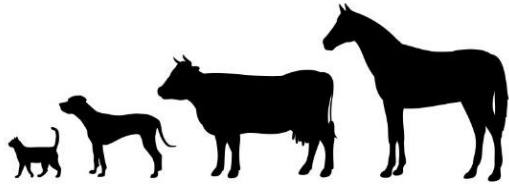

Fit and Fall Proof Update

Fit & Fall Proof has started again at the Palouse River Community Center in Princton. We meet every Tuesday and Friday from 9:00-10:00 a.m.

Fit and Fall Proof is a program designed by the Idaho Department of Health to prevent falls among our mature citizens. We work on improving strength, balance, and endurance through walking, stretching, use of bands, weights, balls and more.

Another important aspect of Fit and Fall Proof is social interaction, which means we have a lot of fun. The class is totally free and all ages are welcome to join us. If you have questions, call Carol at 208-669-1949 or Ruth at 208-875-0317.

Potlatch

VETERINARY CLINIC

We are very excited to announce the launch of our new website!

PotlatchVetClinic.com

You can learn all about our clinic, our staff, services and monthly specials. Current clients and new clients can **book an appointment on the site** through the **Client Portal** in addition to other great features. At Potlatch Veterinary Clinic, we have always stressed the importance of education for pet and livestock owners and we hope that our **Education section** will be a valuable resource as we continue to add articles. You can also conveniently **request food and prescription refills** right from the website. Check it out and let us know what you think!

August's special promotion is **Dental Month!** Receive **20% off all dental services** and select dental retail products. For seniors and veterans, this is *in addition* to your normal discount!

We are also excited to announce that, Monday - Friday, we are offering **\$5 nail trims** between 2 and 3 o'clock!

Palouse Habitat Surplus Sale Expands Hours with a 50% Off Christmas in July Sale

The Palouse Habitat Surplus Sale, the Palouse's source for affordable home improvement and repair materials, is now open 10-5:00 Wednesday through Saturday! To celebrate, join us for our annual Christmas in July sale, a store-wide 50% off sale on all items (except yellow tag).

The Surplus Sale reduced hours last year in response to the pandemic. Our staff is primarily retirees, so it took time for everyone to get vaccinated and build our volunteer base back to allow us to expand hours," shared Executive Director Jennifer Wallace.

The Palouse Habitat Surplus Sale is located at 304 N. Main Street in Moscow. It is open 10:00-5:00 pm Wednesday – Saturday. The Surplus Sale sells donated home improvement and repair items, including lumber, plumbing, electrical, appliances, antiques, furniture and more.

Funds raised through the sale of these donated materials are used to support home building and repair for families in need around the Palouse.

Return to Riverside Pre-Show! Friday, August 27 at the WI&M Depot Open at 6:30, \$3 person

7pm: The Historic Graffiti Society

Established in 2018 by father and son Mike & Charlie Wray, the Historic Graffiti Society discovers, preserves, and records markings of consequence with an emphasis on the Hobo era. Come check out our new Tex KT display!

No Host Bar Provided By:

8pm: Nick Shoulders & the Okay Crowdad

Wielding an ethereal croon and masterful whistle crafted from a lifetime chasing lizards through the Ozark hills, Nick Shoulders is a living link to roots of country music with a penchant for the absurd. With a kind word and a mean yodel, Nick hopes to put the 'Try' in country.

185 Sixth Street Potlatch, Idaho

- Please refer to the school district website for FamilyID Online registration (www.psd285.org)
- If you are unable to attend the meeting or have questions regarding fall athletics, please email Katie Ball, Athletic Director (katie.ball@psd285.org)

OUR SCHOOLS: August 2021

Let me introduce myself, I am Janet Avery, the new Superintendent of Potlatch School District #285. Chad, my husband, and I are so excited to become part of the community. We are still in the process of moving, but have found living arrangements in Potlatch. We come to you from the Magic Valley in Southern Idaho. We spent the last 22 years in Jerome raising our children, Marita (22) and Jacob (19). They live in Boise and are also excited for our new adventure on the Palouse.

Summer is in full swing and so are summer projects around the district! The Jr./Sr. High School roof has new cedar shakes on the fascia and the new gutters will be installed at the end of the month. Both gyms now have refinished floors and are ready for a new year of PE, assemblies, and sports. Finally, new asphalt is going in on the East side of the Elementary, and should be complete by the time this is printed.

I know that Jeff shared about our new mobile APP in the last CIA. This app will be a great way to communicate Potlatch School District news, events, announcements, and other important information. Classroom level instructional news and information will still come directly from teachers to students and parents. To stay informed about district news, be sure to download the app here: iOS: bit.ly/iosPSD285, Android: bit.ly/AndroidPSD285.

As I settle in, I want to know more about the community supporting Potlatch School District. I was able to meet a few of you at Potlatch Days and I appreciate the community spirit I have already experienced! I invite you to stop by and say “hello.” I want to get to know you and I want to know what you like about our schools. I want to know what you appreciate about our staff. I want to know what you hope for our students.

Janet Avery, Superintendent
Potlatch School District #285

1st -- Dylco

2nd -- Bennetts

Floats:

1st -- Vowels

2nd -- Class of 1970

Animals:

1st -- Nagles

2nd -- Asotin County Royalty

The Gamebird Foundation

All rooster pheasants should be happy this week as members of The Game Bird Foundation, started the releasing of about 7000 hen pheasants along with about 700 Rooster pheasants. Along with the carryover from last year, this will help with the additional production for the years to follow. Thanks to all who are calling and emailing in letting us know that you are all seeing more birds. Your information tells us that there are more hen pheasants with a clutch of chicks this year than we have seen since back in the 1980's. We even had a lady email and said that traffic was stopped on Hwy. 6 while a hen pheasant was crossing the road with her babies. We at The Game Bird Foundation sure do like to see and hear about more pheasants! It is because folks like you, members raising the babies to be released, those that contribute some funds and time, and those of you that help us develop more habitats that are making this happen, and we just can't thank you enough!

Remember, we will be at the Latah County Fair with our brooder and some baby chicks in it for all to enjoy in the Poultry Barn. We will also have a free sign up for a drawing for a Pheasant Hunt of 5 rooster pheasants at Little Canyon Shooting Sports, and we will be selling raffle tickets and Gamebird cups and coasters with proceeds going to the birds! Be sure to stop and see us.

Starting the first of September, we will have another heritage pig to raffle off (all cut and wrapped and the bacon and hams all cured). This time we are going to throw in a freezer to put the pig in when you win it! Remember, we will print a limited amount of tickets and when they are gone, they are gone. You never know, we may throw in a couple racks of BBQ, smoked ribs for 2nd prize!

Contact us at thegamebirdfoundation@gmail.com or see our website at thegamebirdfoundation.org you can sign up as a member or donate online.

C.I.A. NEWSLETTER

What is a Quilt of Valor?

A Quilt of Valor® (QOV) is a quality, handmade quilt that is machine or hand quilted. It is awarded to a Service Member or Veteran who has been touched by war. The Quilt says unequivocally, "Thank you for your service and sacrifice in serving our nation."

To use the term Quilt of Valor, Quilts of Valor or QOV, the quilt must be a specific size, must have a label with required information, it must be awarded (it is not a gift) and it must be recorded.

This month, at the Hoodoo Café in Harvard, three veterans received their "Quilt of Valor." Delfred Cone, Terry Smith, and John Lienhard all received handmade quilts as a symbol of appreciation for their service. Diana Flint of Deary is instrumental in finding veterans, getting all their details, then delivering the quilts (many of them she makes).

Catherine Roberts' Dream

Quilts of Valor Foundation began in 2003 with a dream, literally a dream. Founder Catherine Roberts' son Nat

Jack Gilbert Thank You

The Family of Jack Gilbert would like to express our sincere appreciation to the many people in our community for all your help, care, love, and understanding over the past year. Your being there before, during, and after Jack passed away has helped me. Many of you are still helping me in some ways.

My family, friends, and wonderful neighbors are the best! Many people were there to comfort us. I am so glad to be part of our Potlatch family that grew up here. You helped me out when I wasn't even aware of Jack's illness, up until the time when he passed away.

Things were difficult for our family as we had not experienced an illness or death so close to home. Many of you had lost loved ones before or have since lost someone close and were able to support me during this time. I wish to thank you all that helped me when I asked for help. Also to those who nudged me, when it was time for me to do some things for myself.

You that prayed, cried, gave hugs, stayed to visit, brought food, and that very special Christmas tree. Things we didn't know we needed, but things we truly did need. It was hard for me to ask for help. Life is still going on.

Thank you all again for everything!

From Jack's Family

Patty Gilbert,

Stephanie & Tim Herbert,

Carol & Eddie Clay,

Kellie, Rob & Bethany Atkinson

EAGLE SCOUT PROJECT

Izack McNeal, of the Potlatch Boy Scouts Troop 358, is going to be doing his Eagle Scout Project at Mendenhall Cemetery in September. He will be raising and leveling military headstones along with other headstones that may need to be done as well.

He will also be doing his Senior Project at Mendenhall Cemetery which will be cleaning the headstones to make them look nicer. This will be done to the military headstones and any others that need it.

For more information, please contact Jim McMillan at 208-596-6237 or Izack McNeal at 208-875-0467.

F.M.B.E News

Lights! Camera! Agriculture! The 2021 Latah County fair is just around the corner, on September 16th-19th. This means the 4-H and FFA kids are working hard to put the final touch or finish on our projects, ironing our show shirts, and filling out those record books! We are excited to share our projects with our community again.

We invite you to come and enjoy the fair! Grab a copy of the Fair Book to see what fun things are planned! We had awesome support at our car wash, and hope to see this same support at our live livestock auction on September 18th.

For information on how you can support the auction either in person or online, please go to:

www.latahcountyfair.com/p/fair/sale

MAKE AN IMPACT IN THE POTLATCH COMMUNITY!!

We are asking for your help in making a dream come true in our small community. You may have even seen the sign showing that the Cody Hendrix Memorial Sports Park is coming soon.

Cody Hendrix was an avid skateboarder and to keep his legacy alive, we are working on getting a skate park built in Potlatch at the Scenic Six Park.

Along with grants and fundraising, we are still asking for your help by donating.

A donation account has been set up at P1FCU under the name Cody Hendrix Memorial Fund where funds can be deposited, or sent to P.O. Box 154, Princeton, ID 83857, a Venmo Account has also been set up: @CodyHendrixSportsPark

We greatly appreciate every contribution that is made and that has already been made.

**From all of us at

THE GAMEBIRD FOUNDATION NEWS

News from the birdie folks. We have released most of our pheasants. Some folks are seeing clutches of baby pheasant chicks from the birds released last year. I was over at the Youth Access area yesterday and we saw a nice clutch of pheasant chicks. Keep an eye out for hens with baby chicks and let me know when and where you see them. Follow us on the web. www.thegamebirdfoundation.org or Facebook the Game Bird Foundation.

Sign Up for a Drawing, FREE 4-Bird Rooster Pheasant Hunt at Little Canyon Shooting Sports at the Latah County Fair! The Gamebird Foundation will be there with a brooder with baby chicks in it so all the kids can enjoy. We will also have a few Red-Legged Partridge sub-adults for the public to enjoy. You will not want to miss putting your name in for the drawing! We will also be selling our Gamebird Foundation Cups and Coasters. We have quite a selection of coasters to choose from.

NEW Fall Fundraiser - check out the prizes!

1st Prize: A Whole Heritage Pig (cut & wrapped) with a 7 cu. ft. NEW freezer (Heritage pig & freezer have been donated to TGBF and are a package deal)

2nd Prize: 2 Racks of Jim's Famous Smoked Ribs delivered to your door

3rd Prize: 4 Gamebird Foundation Coffee Mugs

4th Prize: 4 Gamebird Foundation Coasters

Get your tickets now – there is a limited number. You can purchase them on our website at www.thegamebirdfoundation.org. Each ticket is \$5 or get 5 for \$20. Enter the amount of what you will pay and in the comment section indicate “Fall Fundraiser Raffle” or “Pig Raffle”. Make sure your full address and contact details are provided. Or you can contact any of our Board Members – Jim Hagedorn, Tammi Johnson, Tiede Ulschmid, Joel Warner, Dale Gottschalk, Dale Rose or Bret Merrick. You can get contact information from our website or email

BOTH Drawings for the 4-Bird Rooster Pheasant Hunt at Little Canyon Shooting Sports and the Fall Fundraiser will be held at our annual banquet on October 10th.

The Gamebird Foundation's Annual Banquet will be on Sunday, October 10, 2021 from 4 pm to 8 pm at the Latah County Fairgrounds in the main exhibit building. Details will be posted in the next CIA Newsletter and all over town. We are taking RSVP's now, so please email thegamebirdfoundation@gmail.com with your RSVP. Seats are filling up fast, so get your spot now.

The community flag at the Scenic 6 Park was a dream of Patti Walters. Gene and Patti, along with Kenny Cada, were instrumental in raising funds and organizing this project in 2005. As most people know Patti, aka "Betsy Ross", has passed and we are left with a need for volunteers to help with flag repairs, funds to purchase new flags and make repairs to the flag pole.

If anyone would like to make a monetary donation, please make your check to Kendria Cada, Terri Katus, or Paula Nicholson, and mail to Community Flag Fund, PO Box 624, Potlatch ID 83855 or drop off donations at Idaho's Best Homes & Land.

If you would like to help with sewing repairs for the flags please reach out to Terri Katus or Kathi Nygaard.

**THANK YOU FOR HELPING KEEP
PATTI'S VISION ALIVE!**

Continued from page 1 QUILT OF VALOR was deployed in Iraq. According to Catherine:

The dream was as vivid as real life. I saw a young man sitting on the side of his bed in the middle of the night, hunched over. The permeating feeling was one of utter despair. I could see his war demons clustered around, dragging him down into an emotional gutter. Then, as if viewing a movie, I saw him in the next scene wrapped in a quilt. His whole demeanor changed from one of despair to one of hope and well-being. The quilt had made this dramatic change. The message of my dream was: **Quilts = Healing.**

The model appeared simple: have a volunteer team who would donate their time and materials to make a quilt. One person would piece the top and the other would quilt it. I saw the name for this special quilt. It was a Quilt of Valor, a QOV.

Fit and Fall Proof Update

Fit & Fall Proof has started again at the Palouse River Community Center in Princton. We meet every Tuesday and Friday from 9:00-10:00 a.m.

Fit and Fall Proof is a program designed by the Idaho Department of Health to prevent falls among our mature citizens. We work on improving strength, balance, and endurance through walking, stretching, use of bands, weights, balls and more.

Another important aspect of Fit and Fall Proof is social interaction, which means we have a lot of fun. The class is totally free and all ages are welcome to join us. If you have questions, call Carol at 208-669-1949 or Ruth at 208-875-0317.

OUR SCHOOLS: September 2021

So much is happening in the Potlatch School District! We have been gearing up for the start of the 2021-2022 school year and it is finally here! Students are back in our classrooms and we have returning and new staff ready to lead them on their learning journey.

We have some returning staff who are in new positions.

At Potlatch Elementary:

Trisha Smeltzer – Special Education
Leigh Wilson – 6th Grade

At Potlatch Jr/Sr High:

Landon Gossack – Math
Robin McKinney - English

We also have some new staff joining our team this year!

At Potlatch Elementary:

Jill Taylor – Principal
Gabrien Fisher – Kindergarten
Chad Avery – 1st grade
Tayler Miller – 4th grade
Karen Rohn – STEAM Elective

At Potlatch Jr/Sr High:

Tracey Berger – Special Education
Karen Rohn – STEAM/Art

District Wide:

Ariel Merrell – School Nurse

As many of you know, we lost our long-time bus driver, Roy Knecht. Roy made a huge impact on all those he came in contact with, staff and students alike. He will be greatly missed. Because Roy is no longer with us, we are in need of a new bus driver. If you, or anyone you know, is interested in making a difference in the lives of our students, this is one way you can do that. We are always looking for substitute bus drivers, substitute cooks/dishwashers, and substitute teachers. If you are interested in any of these positions, please contact the district office for more information.

Athletics at Potlatch Jr/Sr High are in full swing. There are two things you need to know when you come and support the Loggers.

During football games, The Highway 6 entrance will only be used as an exit. All patrons are asked to enter from the library entrance on Onaway Road.

Health and Safety protocols for attendance at Whitepine League school athletic events will be available on the district website

Finally, we have a Football Lights project update. You may have noticed that we now have four poles around the field that are up and waiting for lights. Those lights are currently on a ship in the L.A. Harbor waiting to be removed and loaded on a truck to Potlatch. Our friends at Source Electric are poised to install them the minute they arrive. If they don't make it by the first game on September 3, we may have to move the game to an earlier time. Our HOPE is that we can have a Football Lights ribbon cutting instead!

Janet Avery, Superintendent
Potlatch School District #285

Chambers Thank You

Thank you to all the hard working people involved in the dedication to the signs for our brother, Bobby. A big thank you to Karen Rohn who let us use her wonderful event, Return to Riverside.

Thank you to our local VFW Post 10300. We are so blessed to have you all in our community. A final thank you to Brett Hogaboam with Mirror Up Imagery. You captured our dedication with professionalism and heart.

Thank you to our wonderful little town of Potlatch, Idaho, for caring.

Bobby Chambers' family

Harvard Ladies Aid Dinner

Harvard Ladies Aid will not be having our dinner this year.

Due to Covid, the water problems in Harvard, and several of our members having health problems we will not be able to have our dinner this year.

We hope to see all of you next year for everyone to be able to visit and enjoy the dinner.

See our attached flyer for more details. **Doors open at 3:00 p.m. and we eat at 4:00 p.m.** You must **RSVP NOW** so we can order the ribs! Those that RSVP will be given a wristband and only those with a wristband can eat. We have to do this so we do not run out of ribs. **Email us at thegamebirdfoundation@gmail.com or call to make a reservation at 208-883-3423.**

This is a potluck banquet where we provide the ribs, all you have to do for admission is to provide a side dish or a dessert. It only takes an email or phone call to get a seat and a fabulous meal! RSVP's will be given their wristband at the door.

We will have a 20-gauge shotgun, a 12x14 wall tent, and much, much more for silent and live auction items. Local Artist **Andy Sewell** will be drawing during the banquet and the drawing will be auctioned at the end of the banquet! You will be out and on your way home by 6:30 p.m.. **REMEMBER TO PLEASE RSVP!**

Potlatch Lions Den

Welcome to the Lions Den. The Club is excited to bring you up-to-date with our upcoming events.

We have had a change to our meeting dates. Instead of twice a month, we are now meeting on the first Wednesday of the month at 7:00 p.m. at the former VFW Hall at 735 Pine Street in Potlatch. We also have a Zoom option available for anyone who would like to participate. Please contact Melissa Smith @ mel.smith31514@gmail.com if you would like the invite.

Would you like to show your community support? For a small donation of \$10, you can purchase a board with your name on it (up to 26 letters) to hang on the Potlatch Lions Name Board. From mid-November through January, your name will be displayed with all of our other community supporters at the Name Board exhibit on Highway 6 (across the street from the Potlatch Medical Clinic). Proceeds from the display help to fund holiday events and activities for the community. This year we are focusing on updating/replacing the snowflake lights hanging from poles up and down Highway 6 in Potlatch.

Look for us in December at the Potlatch Community Christmas event. We're still hammering out the details, but we're pretty sure that Santa will be visiting with us again this year. Stay tuned for details!

The Potlatch Lions Club is always on the lookout for more civic-minded individuals to join our group. If you like to help out around the community, we'd love to have you as a member of the Club. If you aren't ready to join, you can also consider volunteering with our group. We are always looking for individuals willing to donate time and effort at our events and functions.

For more information about any of these activities or upcoming events, please follow us on Facebook by searching for the "Potlatch Lions Club" or visit our website at www.potlatchlionsclub.weebly.com. You can also email us at potlatchlionsclub@gmail.com.

Mt Home Grange News

Have you heard about all of the great things happening at the Mt Home Grange lately?

We reorganized and had a membership drive earlier this spring and we're in the process of cleaning up and working on the Grange Hall to make it ready for community events and get-togethers.

Our first official Work Day & Potluck will be held Saturday, October 9 from 9 a.m. to 1 p.m. at the Grange Hall. Our hope is to spend the morning doing work around the grounds and in the building followed by a fun, community get-together with food provided by our Grange members. We'd love to have you join us!

Paula Nygaard is also busy planning for another Mt Home Grange Christmas Craft Show on the first Saturday in December. Stay tuned for more details!

At one time, the Grange was a center where neighbors gathered, families celebrated, and lifelong friendships were made. Our goal is to make that a reality again, but we can't do it without your support. Please watch our Facebook page (Friends of the Mt Home Grange) and the CIA newsletter for details about fundraisers that we are holding and events scheduled to raise funds for the building. If you have donated in the past or plan to donate to this worthwhile project in the future, we truly do thank you for your support!

If you would like to join us and get involved in the preservation of the Hall and the way of life it represents, please plan to come to one of our meetings. They are held on the second Monday of the month at 6:30 p.m. We hope to see you there!

If you would like more information about the Grange, please feel free to contact Nancy Largent (nlargent72@gmail.com) or Paula Nygaard (pjnygaard76@gmail.com).

Potlatch, Idaho 83855 USA

Hogwarts School of Witchcraft and Wizardry

Headmaster Albus Dumbledore
(Order of Merlin, First Class, Grand Src. Warlock,
Supreme Mugwump, International Confed.of Wizards)

To the finder of this letter,

We are happy to inform you that you have been accepted to visit our local site of Hogwarts here in Potlatch, Idaho for **Halloween**,

October 31 between the hours of 6:00 and 8:30 p.m.

You can find our location by asking your grownups where Nob Hill is and how to find the farthest north east corner next to The Forbidden Forest.

We encourage grownups to escort you and enjoy the evening stroll, as there will be no KNIGHT BUS available and some parts of Hogwarts Potlatch may be out of view from waiting cars and anxious grownups. (no flying cars, please)

For this very special evening, we will have favorite treats from HONEYDUKES, and an outside fire to warm to. For those students who still need to pick up books: visit the "RESTRICTED section" of our library to find the next title you may need in the Harry Potter series.

Be Aware: Travel only in groups and stay visible, lest that *he who will not be named* take notice of magical activity in Potlatch and put our muggles at risk. Keep your wands at the ready (lumos) and watch for horcruxes, portkeys, patronus charms and take some outside window peeks of the common rooms of our Hogwarts Houses.

Hogwarts Potlatch for Halloween is all outdoors and appropriate for even our youngest students.

We hope that Professor Trelawney received our owl in time and will be joining us to help host the occasion here in Potlatch.

Yours sincerely,

Minerva McGonagall,
Deputy Headmistress

Hello, I'm Darrell Bostic, and I'd like to be your next city councilperson.

My wife Pat and I relocated to Potlatch in 2019 from the small town of Marble Hill, Missouri. I have enjoyed getting to know our community as a food pantry volunteer and recently as a handyman at the library.

I'm not here with an agenda for change.

My intentions for serving as council member are to support projects the community wants.

A little about me:

- 2016-17 City council and Mayor pro tem, Marble Hill.
- 2018-19 Mayor, Marble Hill.
- 2015 Retired from Nestle Corp. after 36+ years. Last position as Plant safety associate.
- Married 26 years, 3 kids, 2 grandkids.

People that know me say I'm dependable, and ready to jump in to help. I'd love to hear from you, and find out the issues of your greatest concern in our community. You can reach me at darrell54bostic@yahoo.com

I'd like to have your vote for city councilperson. Thank you!

Fit and Fall Proof Update

Fit & Fall Proof has started again at the Palouse River
Community Center in Princeton. We meet every Tuesday and
Friday from 9:00-10:00 a.m.

Fit and Fall Proof is a program designed by the Idaho
Department of Health to prevent falls among our mature citizens.
We work on improving strength, balance, and endurance through
walking, stretching, use of bands, weights, balls, and more.

Another important aspect of Fit and Fall Proof is social
interaction, which means we have a lot of fun. The class is totally
free and all ages are welcome to join us. If you have questions, call
Carol at 208-669-1949 or Ruth at 208-875-0317.

Potlatch Veterinary Clinic

Potlatch Veterinary Clinic is offering 20% off livestock services the month of October. Have us come out and check on your sheep, goats, pigs, cows, llamas, Bison, etc. Do you need a herd health exam? Brucellosis vaccination? Deworming? Looking to confirm your cow's pregnancy? Piglets castrated? Your goat kids dehorned? Give us a call and receive 20% off when you schedule in October.

Stop by for a Warm Welcome, Fun Games, and Trunks with Candy and a Warm Bowl of Chili, Hot Chocolate, and Coffee. 4:00 - 6:00 p.m. at the Princeton Church of the Nazarene! Questions give Lisa a call 208-596-3072.

Join Us For

October 31st

Trunk or Treat!
Viola Community Center IS HOSTING TRUNK OR TREAT ON HALLOWEEN, OCTOBER 31, FROM 5:00-7:00 P.M.. IT'S IN THE COMMUNITY CENTER PARKING LOT AND INDOORS.

OUR SCHOOLS: September/October

Aren't those Friday Night Lights beautiful? Thanks so much to Source Electric for getting everything up and running, and shadows eliminated for our first game on September 1. We held a ribbon cutting at our home football game on September 24 to honor those who made the lights possible. Thanks to everyone who helped see this project through to the end. Go Loggers!

We have a committee that has been working on details for an AfterSchool program at the elementary school. Please watch for more information coming soon. The plan is to begin sometime in October.

Our district was a recipient of the donation program that SEL offers employees. Each of our schools received a generous donation and are planning to utilize the funds to move STEM ideas forward. We know that some of you helped with that donation and we truly appreciate our community support!

Speaking of community support, Karen Rohn, our new STEAM teacher, received some great new supplies for her program. Thanks to City Hall, the Arts Council, and the City Afterschool program for providing these. In addition to getting some great supplies, the STEAM room, also known as the "Collaboratory," got a facelift. Thanks to Bob Lambert for getting the room painted and carpet squares installed. Students now have an inviting place to let their creativity shine.

Another improvement that just happened is at our Jr/Sr High School kitchen. All of our food for students is prepared at the Elementary School kitchen. Food for the Jr./Sr. High is then transported for the students to enjoy at lunch. To ensure the food is nice and warm for students to enjoy, we just received a warming "closet."

I want to express my gratitude once again for the welcoming atmosphere of this community. We feel privileged to be able to call Potlatch home.

Janet Avery, Superintendent
Potlatch School District #285

Light Up the Park!

The yearly hanging of the Christmas lights will be in the Scenic 6 Park on Saturday, November 6, beginning at 9:00 a.m. until done. We need more people to show up to help with this endeavor! More people see than help put up the lights. Turn out this year if you've enjoyed the lights in the past. Lunch will be served in the Scenic 6 Depot to all of those who help.

Christmas in Potlatch will be Saturday, December 11. The parade will begin at 5:00 p.m. and line up at the elementary school. Chili will be served in the Scenic 6 Park after the parade with the fireworks to follow.

There will be crafters in the Old VFW Building and American Legion Log Inn; Santa will be in the Scenic 6 Depot from 11:00 a.m. until 2:00 p.m.

No Rummage Sale for Sharing Tree, Give Here Instead
Covid can't stop Christmas, but it will stop Grace Community Church from having a Rummage and Bake sale to raise money for The Sharing Tree. We are going to try and get matching funds for your cash donations! Please send them to Grace Community Church, P.O. Box 306, Potlatch, Idaho, 83855.

Please send a note with your donation or in the comment section please write "The Sharing Tree Fundraiser". Thank you, Susan Renz, 208-310-2507.

Sharing Tree News

Due to circumstances beyond our control, The Sharing Tree has different criteria for the coming holiday season. Please remember if you are applying for assistance, the Sharing Tree is staffed by volunteers and funded by community donations.

* Program is limited to children living in your home, in the Potlatch School District, ages 18 & under.

* We are in contact with other agencies to make sure all families are helped but that no family receives duplicate help.

* Applications will be filled on a first come, first served basis.

* **Applications may be picked up AND returned to the Potlatch Elementary School office.**

* **Applications are due no later than November 16th. NO EXCEPTIONS**

* Please write legibly. Sizes should include (T) Toddler, (B) Boys, (G) Girls, (J) Juniors, (M) Men, (W) Womens. Each child will receive 2 articles of clothing and a toy.

* We make every effort to provide requested items. However, we will not provide expensive electronics, designer clothing, or items not found in this area.

*****Pick up of gifts will be at the POTLATCH FIRE STATION on Wednesday, December 22, from 5:00-7:00 p.m.** When arriving at the station, stay in your car. Someone will come out and take your name and deliver the gifts to you. If gifts are not picked up, they will be delivered to another organization. For more information, please call 208-875-1372 or 208-875-1331.

We look forward to receiving your application and helping you and your families have a wonderful holiday season.

THE GAMEBIRD FOUNDATION NEWS

If you missed The Gamebird Banquet, you missed the rib feed of your life. No one went away hungry. Saturday evening was spent putting the rub on and letting the ribs marinate through the night. Sunday, they made their way to Bob Pull and his massive smoker for the final BBQ touch. WOW! So delicious! All the hard work that the board and helpers put into this really made it a success!

We'd like to thank all of the wonderful people and businesses who donated such fabulous silent and live auction items. A huge thank you to our famed local artist Andy Sewell for the awesome signed rooster pheasant painting that was painted live during the banquet and auctioned off at the end of the event. All proceeds from the banquet will go for feed, brooders, soft release pens, and equipment to raise the many pheasant and Red-Legged Partridge chicks that we raise and release every spring/summer. Every dime that The Gamebird Foundation receives goes to raising game birds, building habitat for game birds, and educating and helping kids and adults to become good sportsmen and enjoy the outdoors.

Congratulations to the following winners of our Fall Gamebird Foundation Fund-raiser raffle and 4-Bird Guided Hunt:

- 1st Prize: 1 Whole Heritage Pig & 7 cu ft Freezer - Jackie Richards
- 2nd Prize: 2 full racks of smoked ribs - Corbin Montague
- 3rd Prize: 4 Gamebird Foundation Coffee Cups - Tom Carpenter
- 4th Prize: 4 Gamebird Foundation Coasters - Tony and Danette Hyde

The winner of the 4-Bird Guided Hunt at Little Canyon Shooting in Peck, ID giveaway at the Latah County Fair, is Tessa LaDuke.

Now the BIG ONE! **Two English Pointer Puppies** - Youth - apply for a FREE Puppy by November 15! These puppies were donated to raise money to buy Red-Legged Partridge eggs for the membership to raise. The female is red and white, the male is black and white, both with spots.

Deadline to Apply: November 15, 2021 - We strongly encourage any youth who are signed up for or have completed their hunter education courses to apply, with their parent's permission of course. It is a simple application where we ask for an essay on why they want a puppy, how they will raise and train the pup, and if he/she will use it for hunting. Applications are available by calling Tammi Johnson at 208-699-7707 or Jim Hagedorn at 208-883-3423. We will e-mail it to you right away. We are also looking for sponsoring donors for this project. We are a 501C3 nonprofit; any donation is a tax write off. The pups are free to the youth that wins the essay, along with helpful training from our membership.

Jim Hagedorn
Executive Director
The Gamebird Foundation

208-883-3423

The community flag at the Scenic 6 Park was a dream of Patti Walters. Gene and Patti, along with Kenny Cada, were instrumental in raising funds and organizing this project in 2005. As most people know Patti, aka "Betsy Ross", has passed and we are left with a need for volunteers to help with flag repairs, funds to purchase new flags, and make repairs to the flag pole.

If anyone would like to make a monetary donation, please make your check to Kendria Cada, Terri Katus, or Paula Nicholson, and mail to Community Flag Fund, PO Box 624, Potlatch ID 83855 or drop off donations at Idaho's Best Homes & Land.

If you would like to help with sewing repairs for the flags please reach out to Terri Katus or Kathi Nygaard.

**THANK YOU FOR HELPING KEEP
PATTI'S VISION ALIVE!**

Jackie Meckel for

Potlatch School District Zone 1

LET'S CREATE A BETTER TOMORROW FOR OUR KIDS

- ◆ I firmly believe and encourage parent and community involvement in our schools.
- ◆ I would like to see parent / community advisory meetings to help make policy.
- ◆ They say it takes a village and that's exactly what I believe we need for our students to be successful.
- ◆ I believe the district needs to be as transparent as legally possible.
- ◆ I believe all our kids deserve to be educated towards not just college but trades if that is what the student wants.
- ◆ I firmly believe it's not just a reflection on a student but the district if they fail.
- ◆ I believe that a Headstart program would enhance the learning opportunities in our district.
- ◆ I would push for looking into community education classes.

We as a community should all agree on wanting a better tomorrow everyday for our kids.

Please feel free to reach out to me with any questions.

Thank you,
Jackie Meckel

Potlatch Lion's Den

Would you like to show your community support? We are currently taking requests for our annual Name Board fundraiser. For a small donation of \$10, you can purchase a board with your name on it (up to 26 letters) to hang on the Potlatch Lions Name Board. From mid-November through January, your name will be displayed with all of our other community supporters at the Name Board exhibit on Highway 6 (across the street from the Potlatch Medical Clinic). Proceeds from the display help to fund holiday events and activities for the community. This year we are also focusing on raising money to make updates/upgrades to the snowflake and strand lighting that decorates Highway 6 through town.

For more information, please contact Melissa Smith at 208-892-4032 (text or talk – leave a message) or mel.smith31514@gmail.com. Payments can also be sent to the Potlatch Lions Club at PO Box 322, Potlatch, ID 83855. You can also look for our announcement on the Potlatch Lions Club Facebook page.

Paid for by Janice For Idaho • Machele Hamilton Treasurer

Greetings, Potlatch residents,

My name is Dave Cada and I am running for re-election for the Potlatch City Council. As a life-long resident of Potlatch, it has been an honor to serve our great city. For those that do not know me, I am a third generation Potlatch resident and received my education in the Potlatch schools and at the University of Idaho. In 1968, I joined my father at our family business, Cada Furniture, and subsequently owned and operated it for 43 years. I ran for City Council to give my time and energy to the City that has given me so much.

I was asked by Mayor Brown to run once again as our City Council has accomplished so much in recent years and we can now begin building on the strong foundation which we have established. Some of our major accomplishments have been:

***Completely replaced the water and sewer systems through grants, therefore minimally impacting residents financially**

*** Worked with the State to obtain grants for extensive sidewalk enhancements to our schools**

***Successfully brought the city finances to healthy state guidelines with successful annual audits**

***Continuing upgrades to city streets**

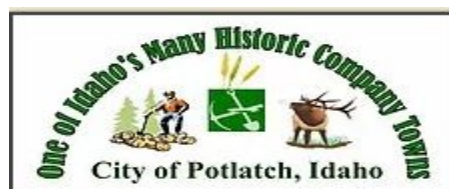

***Established mosquito abatement program**

***Restoration of City Hall through a historical grant**

***Added enhancements to the Scenic 6 Park and RV Park including splash pad, walking path, and pickleball courts through grants**

As an active member of our community, I am a member and Past President of the Scenic 6 Development Council, past Director of Latah County Historical Society, was a founding director of the Riverside Country Music Festival, past board member of the Latah Federal Credit Union, member of the Potlatch Historic Depot group, member of the Potlatch Historical Society and served as a board member of Latch Economic Development Council. These positions have given me a broad understanding of the operation of civic affairs.

I am passionate about continuing to improve the quality of life in Potlatch. I fully support your 1st and 2nd amendment rights, and pledge to keep working for a safe, healthy, and beautiful community. I respectfully ask for your support on November 2. Thank you and God Bless America.

Potlatch Veterinary Clinic

At Potlatch Veterinary Clinic, we believe in helping our community! November is a special month with multiple events and discounts being provided. First, through the month of November we are offering 15% off coupons for examinations for anyone who brings in food to donate to the local food bank. Let's help our community have a wonderful Thanksgiving. Second, November 8th through the 12th to celebrate our veterans, who have fought for our freedoms, we will be offering an additional 15% off any services to active service members and veterans. Lastly, is our GO NUTS Day feline neuter clinic on November 13th, please call, click, email or message us to set up an appointment. Space is limited. From all of us at Potlatch Veterinary Clinic, we want to thank our veterans and active soldiers as well as wish everyone a Happy Thanksgiving!

Phone: 208-875-4838, Website: potlatchvetclinic.com, Email:

office@potlatchvetclinic.com, Facebook @potlatchveterinaryclinic

Potlatch Cub Scouts Are Trying to Re-start!

We are so glad to say that Cub Scouts are back in Potlatch! It has been a sad few years without. Regular meetings just started, **1st and 3rd Thursdays of every month at 7:00 p.m. in the old VFW Hall at 735 Pine Street.** We hope more will join us, and this is a great time!

We have a few meetings under our belts and a lot of fun at the Halloween party with the Scouts and Venture Crew. We'll be joining with them again in Scouting for Food on Saturday, November 13. Put that date on your calendar as this is an important event for our Potlatch Food Pantry.

Cub Scouts is open to boys and girls, kindergarten through 5th grade. A flyer was sent home from the elementary school back in September, but if your kids are in a different school or the flyer is long gone, contact Jim at 208-596-6237 for more information and/or just show up! Parent involvement is highly encouraged, in fact, bring the whole family!

“Scouting for Food” and other Scouts & Crew News

By the time everyone reads this article, the Scouts and Venture Crew, along with Potlatch's restarted Cub Scouts (Yay!), had our Halloween party. We carved pumpkins, had a costume contest, and lots of laughter. A good time was had by all! We also helped out at the Camp Grizzly Trailblazers event for Cub Scouts, and had a great time at our annual Family Day back in September. It was so fun to be all together again after skipping last year.

Interested in joining Scouts or Venture Crew? Find us every Tuesday, 7:00 p.m. at the old VFW Hall, 735 Pine Street. Scouts is for boys and girls ages 11 through 17, and Venture Crew is co-ed for ages 14-20.

Moving to November: This year *Scouting for Food* is set for Saturday November 13. That morning, beginning at 9:00 a.m., the Potlatch Boy Scouts, Cub Scouts, and Venture Crew will be going door-to-door in Potlatch, Onaway, Princeton, and Harvard collecting food and household supplies for the Potlatch Food Pantry. If you are outside this area and/or we miss you at home, we will also have a collection box at Harvest Foods. It is hard to believe it is already this time of year again!

Which brings up, yes, we will again help put up Christmas Tree lights in Scenic Six Park on Saturday, November 6. This is a community event that we typically help with. It is a beautiful thing that we all enjoy, started by Grace and Dave Brown. And it is a volunteer event. We've seen that the number of volunteers has been way smaller than the number of people who enjoy the lights. If you can carve out a few hours that morning, please come help out! Finally, just one more thing, also in November we will start our Christmas Tree Lot the day after Thanksgiving. Yes, it is almost that time of year again!

Happy Thanksgiving to all of you from all of us!

For more on info about our Troop & Crew, contact Jim (208-596-6237) or Casey (208-596-8561), and/or check out:

www.facebook.com/PotlatchScouts358.

Fit and Fall Proof Update

Fit & Fall Proof has started again at the Palouse River Community Center in Princeton. We meet every Tuesday and Friday from 9:00-10:00 a.m.

Fit and Fall Proof is a program designed by the Idaho Department of Health to prevent falls among our mature citizens. We work on improving strength, balance, and endurance through walking, stretching, use of bands, weights, balls, and more.

Another important aspect of Fit and Fall Proof is social interaction, which means we have a lot of fun. The class is totally free and all ages are welcome to join us. If you have questions, call Carol at 208-669-1949 or Ruth at 208-875-0317.

OUR SCHOOLS: November

I can't believe it is already October! Great things are happening in Potlatch Schools! Our 6th grade students are learning about positivity and worked to spread that idea throughout the elementary school. They are writing positive affirmations on slips of paper and delivering those to other classrooms for those students to find on their desks.

Some of our students in grades 7-9 are trying out a new course offered through IDLA entitled "Everyone Can Create." Students enrolled in this course are learning that the more you try and create, the more creativity you have. IDLA provided the use of iPads and students are learning how to use different drawing and creation tools.

I mentioned community organizations that have made donations to support Karen Rohn's new STEAM class. She also wants to thank the following individual community members and Potlatch Alumni who donated or made something with the HS or Elementary STEAM program:

All PHS Alumni:

Dana Krause Brown, Texas
Glenna Bryngelson Parvin, WA State
Debbie Poston Rochon, Coeur d'Alene
Dwight Renz, Potlatch
Bonnie Rohn & Vicki Schott, Potlatch

Other Folks:

Suzanne Veith
Lee Bates

By the time you read this, Our Lady Loggers Volleyball team will have played for the District Championship against Troy on Oct 21 and have already earned a berth to the State Tournament play beginning Oct 29 at LCSC in Lewiston. The Football team played their final home game on Oct 22 and were in the running for a State Play-In game on either Oct 29 or 30. Winning the State Play-In game moves them to a quarterfinal game the first weekend in November. Keep posted for information about IHSAA State Sponsored games as they will require tickets to be purchased online. Check www.psd285.org for more information to come.

After input from staff, students, and community members, we have come up with a new motto for our district. We wanted the motto to represent all learners, which is each of us. The new motto is "Small Town, Big Hearts, Bright Futures."

Janet Avery, Superintendent
Potlatch School District #285

Scouting for Food Sat. Nov. 13

Help us help the Potlatch Food Pantry!

Potlatch's Scouts, Venture Crew, & Cub Scouts will work all morning to collect food donations for the Potlatch Food Pantry.

Door-to-door collection* from the "Y" to Harvard starting at 9am

We will also have a drop-box at Harvest Foods for those we miss

*For safety, the kids are told not to enter fenced yards with a dog outside. You can still donate by leaving a bag outside your fence, or through the box at Harvest Foods

All donations will go directly to the Potlatch Food Pantry

F.M.B.E. 4-H

Hi, this is Jessica, your new F.M.B.E 4-H Club Reporter. We kicked off our first 4-H meeting of the year with club elections. Congratulations to our new officers, Levi-President, Jaxon-Vice-president, Sophie-Secretary, Ben-Treasurer, Jessica-Reporter, Elena-Sergeant at Arms.

We completed one of our community services, picking up 23 bags of garbage along the highway coming into and leaving Potlatch. Thank you to all that showed up to help!

Our club voted to support our local community by donating some of our club's funds to purchase gifts for the Sharing Tree. We will be meeting in Moscow, December 12, to buy gifts.

Our December meeting will be held at the PRCC on December 8. We will be presenting county and club awards to our members for the 2021 4-H year.

Till next month.
Jessica Biltonen

THE GAMEBIRD FOUNDATION NEWS

Hello to all you Pheasant, Red Legged Partridge and all other bird lovers.

MEETINGS: The Gamebird Foundation will now be meeting the first Thursday of each month starting December 2. We will be meeting in the Board Room of the Farm Bureau Insurance Office in Moscow at 220 Farm Road. You enter through the parking lot off of A Street behind WinCo. Meetings always start at 6:00 p.m. and all are welcome. Subject to change on occasion, we will notify in advance.

FREE SHOTGUN SHELLS FOR YOUTH: CCI Speer donated some 20-gauge shotgun shells for young hunters. We will have a few FREE boxes of shells to pass out to young hunters who come to our meetings.

PUPPIES: The two young 13-year-old youth that won the 2 English Pointer pups that Dan Blanco donated to help raise money for Red-Legged Partridge eggs are Jonas Reddering from the Moscow-Viola area and Kain Ford from the St. Maries area. We had some wonderful essays and it was a hard decision to make. We have some great kids out there looking for a hunting dog. If you have a dog or pup, you want to donate, please contact me. There are some good homes waiting. Thanks Dan, for your generous donation and for all you do.

PHEASANT RELEASES: It is getting close to the tail end of pheasant release at the Youth Access YES Area. I see pheasants most every time I go over. We talk to some folks that are hunting over there with the kids and they are harvesting some of the best roosters we have seen in years.

RAISING CHICKS NEXT YEAR? In about 4 months, we will be receiving baby pheasant chicks. How many of you folks out there reading this are ready for chicks? Remember you will need a brooder, a soft release pen, and proper feeding and watering facilities. If you do not have a good brooder or a soft release pen, you need to get started NOW! It takes time to get the facilities built. We are not going to wait until the birds start coming to start building. If you are not ready, you won't get any chicks. Last year, we had folks trying to locate and build brooders and soft release pens, and locate feed and the birds were due the next day. This will not work, we must do it right. It is a lot of work just taking care of the orders every week, let alone the supplies to raise them. Remember, we are all volunteers; we need you to help with some of the load. If you want to raise chicks, or just help, give us a call or email and we will give you all the help you need to get set up. Space and chicks are limited. We are a 501C3 Corporation and any donation is a tax write off. We need your help. **HABITAT:** We now have a seeder to do habitat development. Give us a call if you are interested. Jim Hagedorn

MAKING SENSE OF INVESTING

Mt Home Grange News

Have you been looking for an excuse to come see what's going on at the Mt. Home Grange lately? Well, we've got a couple of opportunities for you to do just that this month!

The annual Mt Home Grange Craft Fair kicks off at 9:00 a.m. on December 4 and runs until 3:00 p.m. Craft vendors from around the area will have all kinds of items perfect for checking more items off of your holiday gift shopping list. Don't miss out on your chance to shop local!

Then, on December 13, we will be having a Christmas Party and Potluck in place of our regular business meeting. The fun starts at 6:30 p.m. and the entire family is invited. There is no sign-up list for the potluck, so bring whatever you'd like to share. We'll also be having a White Elephant gift exchange, one for adults and one for children. Join us for the evening!

In other great news involving the Grange, we received word that the Mountain Home Grange has been added to the National Register of Historic Places! Thank you to Gary Strong, for working so diligently to make this happen for the Grange.

At one time, the Grange was a center where neighbors gathered, families celebrated, and lifelong friendships were made. Our goal is to make that a reality again, but we can't do it without your support. Please watch our Facebook page (Friends of the Mt Home Grange) and the CIA newsletter, for details about fundraisers that we are holding and events scheduled to raise funds for the building. If you have donated in the past or plan to donate to this worthwhile project in the future, we truly do thank you for your support!

If you would like to join us and get involved in the preservation of the Hall and the way of life it represents, please plan to come to one of our meetings. They are held on the second Monday of the month at 6:30 p.m. We hope to see you there!

If you would like more information about the Grange, please feel free to contact Nancy Largent (nlargent72@gmail.com) or Paula Nygaard (pjnygaard76@gmail.com).

Potlatch Lion's Den

Welcome to the Lion's Den. We would like to kick off the month of December by saying a huge THANK YOU to all our wonderful community members who purchased a board for the Potlatch Lions Club Name Board Display on Highway 6, across from the Potlatch Medical Clinic. Club members spent Saturday, November 20 putting up the display, and we would love it if you stopped by to take a look and to say "thank you" to any of the individuals who donated to help out this great community!

We are continuing to raise funds to update the lights along the highway through the main part of Potlatch. For those who would still like to purchase a name board there is still time to get it displayed this year! Please send your name, address, and what you would like added to the board (up to 26 characters) to mel.smith31514@gmail.com. Or you can mail requests and payments to: Potlatch Lions Club, PO Box 322, Potlatch, ID 83855.

The Lions Club is going to be busy this year at the annual Christmas in Potlatch event on Dec 11. This year, Santa will be joining us at the WIMHRD Freight Room from 11am – 2 pm. There will be pictures with Santa, cookies, candy canes, and hot cocoa. There will also be horse-drawn buggy rides for the whole family. Be sure to stop by, say hello, and check with Santa to see if you are on the naughty or nice list! We're also planning to have a float in the Lighted Parade again this year. Come check us out!

Happy holidays to all!

POTLATCH ELEMENTARY PTO

presents our first ever

SPONSORSHIP OF ELEMENTARY STUDENTS

As winter begins, we know there are children whose families have fallen on hard times. No one is immune from them and everyone needs help sometimes. We are seeking sponsorship in the form of monetary donations to help children purchase winter supplies such as: hats, gloves, a snow coat, snow pants, warm boots, etc.

If you would like to sponsor a child, please message Potlatch Elementary PTO on Facebook, email potlatchpto@gmail.com or contact a board member. We are accepting donations of all sizes of knit gloves and mittens. Thank you for considering helping the children in our community!

If you are uncomfortable with a monetary donation, we can do our best to get a size and gender so you can purchase the specific item for a child. Mrs. Diamond and Ms. Renz will be managing the school side of this, ensuring anonymity for children and families. PTO will be creating a separate financial account for this that is designated specifically for children in need

Another near record ...

Congratulations Potlatch, Harvard, Onaway, and Princeton! This year's *Scouting for Food* Saturday came just shy of last year's near record amount. With your amazing generosity, Potlatch Scouts and Venture Crew collected and delivered 2018 lbs of food plus \$90 in cash to the Potlatch Food Pantry. Thank you for your support of us and your community!

We will again have our annual Christmas Tree lot, Saturdays, 8:00 a.m. to 5:00 p.m., Sundays, 10:00 a.m. to 4:00 p.m., along with hot cocoa and a warm fire. *We'll be there during the week after school; 4:00-6:00 p.m.* As always, our trees will be many shapes and sizes, and we cut fresh trees every weekend! Suggested donation is \$15/tree.

For more info our Troop & Crew, call Jim at 208-596-6237, Casey at 208-596-8561 and/or visit:

<https://www.facebook.com/PotlatchScouts358>

Fit and Fall Proof Update

Fit & Fall Proof has started again at the Palouse River Community Center in Princeton. We meet every Tuesday and Friday from 9:00-10:00 a.m.

Fit and Fall Proof is a program designed by the Idaho Department of Health to prevent falls among our mature citizens. We work on improving strength, balance, and endurance through walking, stretching, use of bands, weights, balls, and more.

Another important aspect of Fit and Fall Proof is social interaction, which means we have a lot of fun. The class is totally free and all ages are welcome to join us. If you have questions, call Carol at 208-669-1949 or Ruth at 208-875-0317.

Grace's Gingerbread House Contest

Construct your best gingerbread house!

This can be done as a family or individual age groups.

Registration and arrangements for drop off of your gingerbread house can be done by contacting David & Grace Brown or Tammy Kilborn between December 1st-18th before 2:00 P.M. Pick up will be December 19th.

Judging will be December 18th at 2:00 P.M.

Divisions: \$50.00 prizes for 1st & \$25.00 prizes for 2nd in each division.

Family (Parent/s and their children under the age of 18)

3rd - 6th Grade

7th - 12th Grade

Contact Information:

David & Grace Brown: (208) 875-1535 or Email Dbrown1946.db@gmail.com

Tammy Kilborn: (208) 875-1294 or Email tkilborn@yahoo.com

Grace's Gingerbread House Contest Rules

Gingerbread structures must be constructed mainly of gingerbread and icing
Styrofoam and other support materials are not permitted.

All components of the display, except for the base, must be made of edible materials.

Edible materials include candy, nuts, cereal, cookies, crackers, pasta, and other food items that do not include wrappers or sticks. Wrappers should be removed from candy and other decorations.

Entries should be mounted on a solid base. Entries must fit on a 18" x 18" base and should be no taller than 24".

No decorations should be placed on the sides of the base.

Attach a 3" x 5" card with the entrant's name, address, telephone number and E mail address on the underside of the base.

Entries must be constructed in 2021.

OUR SCHOOLS: December

Last month we shared what our Volleyball and Football teams were preparing for. We are so proud of our Lady Logger Volleyball team for placing 4th in the state. Our Logger Football team also made it all the way to the quarterfinals of the state tournament. In addition, we had a runner compete at State Cross-Country! We are very proud of the successful seasons of all of our fall athletes! Go Loggers!

I have started a weekly Superintendent's message on our website that is updated each Monday. I encourage you to go and check that out here: bit.ly/SuptPSD (this url is case sensitive). My goal is to keep you updated about great things happening in our schools and also about projects and goals we are working on.

Our Elementary kitchen just got their new stove delivered this week. Tammy Deerkop and her team are excited to have updated tools to help nourish our students. Our Elementary library just received two grants for new books, one from the Idaho Lottery's Bucks for Books for \$3000 and the other from Latah County Community Foundation for \$2000. We are excited to add more books to our library.

The staff at both our elementary and Jr/Sr high school are encouraging student to give back to their community. Bridget Bailey is working with students who help out with the monthly Food Truck and she is also organizing a group to shovel snow for those who need assistance. Leigh Wilson is working on leadership skills with 6th graders. They decided to work on servant leadership and are currently finding ways to serve other students and teachers through activities such as "buddy reading" and "peer tutoring."

As we enter the holiday season I want to wish you a season filled with blessings. We are grateful for a community that supports each other. Thank you!

Janet Avery, Superintendent
Potlatch School District #285
