Our Schools

Potlatch Schools just wrapped up the first semester of the 2025-'26 school year. It is hard to believe the school year is halfway through.

At our recent January Board meeting, we said goodbye to Michael Montgomery and welcomed Daryl Riedinger as the Zone 1 Board member. I want to thank Michael for his service to the community. You will be missed. The January meeting is also the annual meeting that includes the reorganization of the Board. Each board member represents a "zone" in the District. Zone 1: Daryl Riedinger; Zone 2: Jessica Scholfield; Zone 3: Mike Gilmore; Zone 4: Ryan Beckner; and Zone 5: Tricia Fiscus. Ryan Beckner was once again elected as Board Chair, and Jessica Schofield was elected as Vice Chair. As a new Board member, Daryl jumped right in and agreed to serve on our Policy Review Committee. I appreciate each of our Board members for the thoughtful questions they ask and the discussions they have before making decisions. If you see one of them, please say thank you.

We are thankful for our teachers and administrators who write grants, and for community members who donate to programs. First, three teachers/programs received grants within the last month. Mrs. O'Shaughnessy received an ICRS (Idaho Career Ready Students) microgrant of \$8,900 to purchase materials and supplies to support the logo wear business managed through BPA. Mr. Sawyer received an ICRS supplemental grant of \$50,000 to purchase a skid steer for the Forestry program. Mrs. Goucher received an \$800 MOSF (Moscow Opportunity School Foundation) grant to support the development of an 18-21 skills program. Mrs. Burkgart and Mrs. Rohn were on the receiving end of donations for their programs. Mrs. Burkgart's donation, through Donors Choose, provided supplies to replenish science kits and was funded by Optima. Mrs. Rohn received donations of a mat cutter and various high-end art supplies from community members.

We are excited to welcome two retired Logger staff back for F.A.R.M. (Families and Reading Matter). Sharon Montgomery and Sherry Pollock

volunteered to lead this valuable program. F.A.R.M started on Jan. 15 in the fifth grade and will continue each week until March 19. We love to see parents, guardians, and grandparents join each week to read with their students. It is an enjoyable hour with family, and there is coffee and breakfast snacks too!

On Jan. 15, we said goodbye to a long-time member of our Logger family. Jerry Schwartzman has served Potlatch staff and students for 20 years, 18 of which were as the transportation supervisor/mechanic. The last two were as the transportation mechanic. Jerry's experience and expertise will be missed, but we are happy for him as he begins his retirement journey.

The next Coffee with the Superintendent is scheduled for Wednesday, Feb. 11 at 9 a.m. Ryan Beckner will join me at the Tamarack. We look forward to seeing you there!

What's the scoop on Presidents' Day?

According to Google AI, "Presidents' Day is a federal holiday celebrated on the third Monday in February (falling between Feb. 15 and 21) designed to honor all U.S. presidents, though it originated specifically to celebrate George Washington. While popularly known as "Presidents' Day," the holiday is technically still designated as Washington's Birthday by the federal government."

F.M.B.E. 4-H News

We hope your New Year is off to a good start. Remember that our 4-H year started on Oct. 1. You need to enroll in 4-H by signing up on Z-suite before the March 31 deadline.

4-H offers a wide range of projects. I have taken the Forest Nursery and Market Lamb projects. My brothers have taken Electricity and Market Steers. There are so many more projects! A few of you might consider: cooking, fishing, leathercraft, sewing, shooting sports, woodworking, and Know Your Government (KYG). For more project ideas, visit <https://www.uidaho.edu/extension/4h/clubs-projects>.

The model horse show is on Feb. 22. Good luck to the exhibitors!

The Youth Livestock Field Days are coming up in March.

- ⇒ Beef Day is March 7 at the Nez Perce County Fairgrounds
 - ⇒ Swine Day is March 14 at the Asotin County Fairgrounds
 - ⇒ Sheep & Goats Day is March 21 at the University of Idaho
- These are wonderful learning opportunities and are worth going to. You might pick up some good demonstration ideas as well.

The officers plan to have other members job-shadow them starting in February. We hope this will encourage members to run for officer positions next fall. Please consider what position you would enjoy learning.

Princeton-Hampton Sewer Patrons Please Read!

Many of us do not think about what happens after we flush the toilet or take a shower. The water and waste go into the sewer lines and are pumped to the sewer ponds behind Clearwater Power in Hampton.

In an effort to keep you informed about the latest developments and expenses affecting our sewer district. Recently, we encountered a significant issue: a large towel was flushed into the sewer system, causing a major blockage in one of the pumps that moves waste to the ponds. The pump burnt up and quit working. The repairs required to resolve this incident totaled over \$20,000. You may think that this doesn't affect you personally, however, these expenses affect us all. If these blockages continue and we lose equipment, the sewer rates will need to increase. This is not the first incident of a blockage and the need for equipment repair. These expenses highlight the importance of flushing *only* appropriate materials down the drain. Items such as bath or hand towels, wipes (of any kind, even if they say flushable), paper towels, feminine products, and other non-biodegradable materials should not be flushed. Please dispose of these items in the trash, not in the toilet. These materials can cause severe damage to our infrastructure, leading to costly repairs and potential service disruptions. We appreciate your cooperation in helping us maintain a safe and efficient sewer system. We also ask that you do not put oil of any type (cooking, motor, bacon grease, etc.) down the drain lines. Thank you for your continued support! Sincerely, Princeton-Hampton Sewer District Board

AARP Tax-Aides ready to help

With the New Year comes tax time! We have a wonderful resource in our area. AARP Tax-Aide. Take advantage of an opportunity to have your tax returns (federal and state) prepared and filed at zero cost.

Tax-Aide volunteers, who undergo intense training and certification by the IRS, will be available at the 1912 Center (412 E. 3rd St. in Moscow) on Wednesdays, Thursdays, and Fridays from Feb. 4 through April 10, 2026, from 9:30 a.m. to 2 p.m.

Most low-to-moderate-income tax returns fall within the scope of our AARP Tax-Aide Volunteer Organization. AARP membership is *not* necessary to take advantage of our help. In fact, our services are available not only to seniors but to taxpayers of any age with in-scope returns.

You must have an appointment to use our service. Schedule an appointment for 9:30 a.m., 10:30 a.m., 11:30 a.m., or 12:30 p.m. by calling 208-717-4544. During your call, you will find out how to prepare for the appointment and learn what to bring to the appointment. As tax season progresses, it may get harder to secure a desirable appointment time, so call as soon as you have assembled all your 2025 tax documents.

Tax-Aide can prepare most forms, including 1040 and supporting schedules, EIC, Child Tax Credit, Other Dependent Credit, Education Credits, and Schedule C if no inventory, employees, or depreciation. Taxpayers **MUST** bring social security cards, photo identification, all income and expense documents, and the previous year's tax returns.

The aim is to reduce the anxiety that can accompany tax season. For AARP Tax-Aide sites in other locations (other than the Moscow-Pullman area), please visit <https://www.aarp.org/money/taxes/aarp-taxaide/locations/>
