Prue French turns 86 on March 29, 2024.

Prue and Garry French ran the Potlatch Drug Store for 30 years (from 1966 - 1996). Prue was President of the Jr. Miss Pageant for several years throughout the 1970s & 80's, and was a Camp Fire Girl Leader for many years. She was champion of the Womens Bowling League at the Bowlerama in Moscow.

She worked at Rosauers, Gritman Hospital, and WSU as a cook. Later, she attended the University of Idaho and completed her teaching degree.

Todd, her son, remembers: When I think back, as a little boy, mom had me with her during the Jr. Miss Pageants, I remember Kellie Glaze (Keck), Dianne Vowels, Kelly Rohn, Sharon Largent, and Linda Farley. She was a Camp Fire Girl Leader with girls like Sally Vowels, Rochelle Pettibone, Marley Griswold, Bonnie Bunney, Cathy Cook, and so many more girls. Mom even received a phone call from Terri Cook, who now lives in North Carolina, thanking Mom for putting on an "Animal Show" in our side yard, and mom gave away prizes to everyone who participated. She was in the Ladies Bowling League at the Bowlerama, and was Higher Scorer and in the Paper a lot. She played "Ladies Bridge" with Janie Nirk, Boo Brabb, Janet Rohn, Eileen Ball, and Carol Haddock to name a few. She is one of the last of the "Old Guard" of Potlatch women.

If you happen to have the time, please send Prue a card. This will let her know that people remember her and think about her.

Dementia Friends Information Session

What is Dementia Friends?

A Dementia Friend learns about dementia and then turns that understanding into action. Dementia Friends USA is a part of a global movement that is changing the way people think, act, and talk about dementia.

Who can be a Dementia Friend?

Anyone can be a Dementia Friend. We all have a part to play in creating dementia friendly communities.

What will I learn?

Through interactive activities and information, you will learn what dementia is, and how it affects people, and how you can make a difference for people touched by dementia.

How much does it cost?

The session is Free! You will be provided with a session workbook and certificate after attending.

Join the Movement! Become a Dementia Friend Today!

Library District Substitute

Enjoy a flexible schedule and the ability to experience all of the Latah County Library District libraries by joining the team at the Latah County Library District. The library is building a pool of qualified applicants for the part-time Library Substitute assignments within the circulation department at the Moscow library as well as the six branch locations.

Location:

- Substitutes must be able to work in Moscow and at least two of our rural branches.

Schedule:

- Varies, depending upon need. May include daytime, evening, and Saturday hours.

Starting Wage:

- \$16.75 per hour

Responsibilities:

- Help patrons access library materials by working with patrons of all ages at the circulation desk
- Be available to work at least once every six weeks, with more frequent substituting preferred
- Provide basic readers' advisory, reference, and computer troubleshooting service
- Assist patrons in use of Internet resources and library catalog
- Occasionally participate in district meetings and training workshops
- Assist with daily library tasks as needed, such as shelving and processing materials
- Assist with library outreach in Moscow, as needed, including the operation of the library e-bike

Minimum Qualifications:

- High school diploma or GED, Bachelor's degree or higher preferred
- Good computer skills and familiarity with current digital technologies and devices
- Strong interest in supporting the mission of public libraries
- Ability to think creatively
- Excellent communication skills, including the ability to read, write, and speak English
- A positive attitude, and courteous and friendly manner
- Must demonstrate ability to interact effectively in a fast-paced team environment
- Must demonstrate physical ability to perform library tasks
- Must be able to sit, stand, reach, squat, stoop, and lift up to 25 pounds
- Must have a valid driver's license and reliable transportation, with a willingness to drive to the chosen rural community branch locations in variable weather conditions.

The Ideal Candidate:

Must have excellent customer service and communication skills, work well as part of a team, and carry out directives independently.

Application open until filled. To apply, submit a cover letter, resume, and three references to moscow@latahlibrary.org. Please put 'District Substitute Job Application' in the subject line.

F.M.B.E. 4H

Our monthly meeting was on March 13th. Kennli started the pledge of allegiance and Colton started the 4-H pledge. We had lots of members bring in cans of food to be given to our food bank, which turned out great. Thanks for helping out, everyone! We also reminded members of the \$5 dues that are payable to our treasurer, Ellie.

We had a couple of 4-H members do their demonstrations and they did an amazing job. Demonstrations are now being assigned for the rest of the year. April demos will be: Charlotte, Presley, Fritz, Daycee, Ava, and anyone else who wants to get it done. We had a few new members stand and introduce themselves. We welcomed Timberlee, Rylie-Jane, Bryder, and Braylee. New members can do their demos in August unless they want to do it earlier.

Our next meeting will be scheduled on April, 10th 2024 at 6:30 p.m. at PRCC. We were reminded that our Highway Cleanup community service project will be on April 27 at 8:00 a.m. Edie reminded members there are stocker-feeder and archery projects they could take this year. Joe Stanley led an Electronic Dissection clinic on Sunday, March 17th at the fairgrounds, where you can tear apart old computers, TVs, stereos, and more, and Joe would explain what is inside and how they run. We will be able to hear all about it at the next meeting. Adults are needed to help on the LMAS committee. There's information in the latest county newsletter if you would like to help put on the Livestock Sale at the Fair.

Are you interested in going to 4-H camp this year? Teen camp, STAC, is June 24-27. Youth camp for 8 yrs-7th graders will be July 12-15 at Camp Sanders. Edie also mentioned a couple of things to do outside 4-H. If there are members and parents interested in Hunter Education, check out the Idaho Fish and Game, Clearwater Region website to find information on the local events at Troy and Deary. Also, are your kids interested in being a veterinarian? Check out the WSU Vet Hospital open house and teddy bear clinic on April 6.

Hopefully, everyone who needed to have completed their 4-H memberships on <http://4h.zsuite.org/events/>. Jessie VanBuren, County 4-H Educator, was at our meeting helping enroll members. Hope everyone enjoys this beautiful spring weather.

Gabriella Scalzo

THE GAMEBIRD FOUNDATION NEWS

Happy Easter to our neighbors and friends! Let's say goodbye to Winter's cold days and hello to the bright and beautiful days of Spring!

We want to send a warm "Thank You" to everyone that gave much of their time, donations, and support in making last month's Annual Banquet a huge success. The Gamebird Foundation is here because of the generosity and involvement of our members and volunteers.

Want to Raise Gamebirds this year?

The bird supply is limited this year, so don't miss out! If you've always wanted to raise some gamebirds, then contact Ed Simpson (360-708-8628) asap for any questions you may have. We are in the process of making the 2024 gamebird raising list and want to make sure you're on there. The Gamebird Foundation offers many tools for those wanting to raise birds such as: support through resources, shelter, feed, birds and more.

The Gamebird Foundation is a 501c3 Non-Profit Corporation which means you can claim your donation as a tax deduction. Becoming a member of TGBF is only \$25/year for the entire family and has such positive value for our community. To learn more about us visit us at thegamebirdfoundation.org or come join us at our next meeting at the Farm Bureau building (220 Farm Rd in Moscow) on April 11th, 6pm. See you all there!

Claudia Dalby
Executive Director, TGBF

OUR SCHOOLS

I want to begin this month's article by congratulating our Logger Boys Basketball team on their 3rd place finish at the State Basketball tournament. I also want to give a shout out to coaches Ryan Ball and Cole Thompson, as well as volunteers Ron Lovell and Devin Richards for their work with our athletes this season. Thanks, to each of YOU for the support you gave our coaches, our athletes, our cheerleaders, and our band members. I know each of you were with them on the court, whether that was in person at Vallivue High School, or at a watch party here in town. Donations from some patrons allowed our team to travel on a charter bus and allowed our cheerleaders and the band to attend and rally the crowd.

Superintendent question of the month: **What is the deal with buses that are parked behind the Ag Shop?** All buses purchased by the district are placed on a state depreciation schedule for 12 years. The state reimburses the district for an estimated 80% of the cost of a bus over that time. The monies received from the depreciation can only be used to purchase new buses. We do try trading buses in when we purchase a new bus; however, many times the trade in amount is less than what we would receive from the state in depreciation. Those buses parked behind Ag Shop are still getting depreciation money and/or they are used for parts to repair the other buses in our fleet. We do surplus buses when they no longer serve a useful purpose.

At our March Board meeting, a resolution was passed for the district to run a 1.7 million dollar supplemental levy. You will have the opportunity to vote on this levy May 21st. The estimated annual cost of the proposed levy is a tax of \$355.17 per \$100,000 of assessed value, per year, based on current conditions. The proposed levy will be assessed over one (1) year.

What is the purpose of a supplemental levy? It is to make up the difference between what we receive in State and Federal funding and what it costs to keep programs intact. The last few years, the district has tried to lower the amount of our levy because we had ESSER (aka Covid) funding that we used to backfill operating costs such as maintenance of buildings and updating resources. Programs such as Family and Consumer Science, Agriculture/FFA, Business, Music, Art/STEAM, and Extra-Curricular activities are all supported by our supplemental levy. In addition, support staff who assist in special education, small reading groups, recess and lunch supervision, grounds, maintenance, and technology are also funded with our supplemental levy.

What about monies we received from the Idaho Career Ready Students grant? Again, we are very fortunate to have been an early recipient of these funds and were awarded \$989,198. These funds cannot be used for staffing. They are only to be used to update equipment and expand the facility to prepare to add a Natural Resources/Forestry pathway program for our students.

So far, purchases include 5 Synchrowave Miller Welders that will be used primarily for Stick and TIG welding and 5 Millermatic Miller Welders that will be used primarily for MIG welding. In addition, an Ellis bandsaw and drill press have arrived. There are plans to expand the welding booth set up to allow for an increased number of students to weld at once.

Students have been using a new Ironworker that was purchased to cut and bend metal. This piece of equipment will soon be set to start punching holes in metal as well. Students have expressed their excitement at the ease of which the Ironworker cuts metal and are anxious to begin using other new equipment. Potlatch's Ag Instructor, Mrs. Hille, says the new equipment allows students more time to focus on developing their welding skills rather than waiting in line to cut metal.

Potlatch School District is thankful for the many new opportunities available to our students because of these funds. We are thankful for our partners in the Technical Advisory Council, the Potlatch FFA Alumni Association, and the University of Idaho for working with us to make this dream a reality!

We want this program to continue to develop and is another reason our supplemental levy is so critical.

The April Coffee with the Superintendent is scheduled for April 3 at 10:30pm. Ryan Beckner will be joining me at Tamarack Cafe. We would love to visit with you there. I appreciate the conversations we have had since we began these monthly meetings.
